MEDICAL.

FOR THE CURE OF RHEUMATISM, AND ALSO NERVOUS COMPLAINTS.

Galvanic Rings, Belts, Bands, and Magnetic Fluid.

THE proofs of the wonderful power of these articles are very numerous, and are daily accumulating. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS, during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. The following certificates from highly respectable persons are selected from a large number of a similar character:

EPILEPSY AND PALPITATION OF THE HEART.

☞ Rev. John Bristed, son in law of Mr. John Jacob Astor, of New York, Minister of the Episcopal Church at Bristol, R. I. residing in Main street, has long been subject to distressing attacks of Epilepsy, often falling down insensible. The disease has been accompanied with violent Palpitation of the Heart and a rush of blood to the head. For three years he has been unable to preach or attend to his other duties. Mr. Bristed has found the most valuable benefit from the Rings, Bands and Fluid, is better in every respect than he has been since his illness, and is now rapidly recovering his health. All symptoms of Epilepsy have left him.

RHEUMATIC GOUT.

To Dr. Christie:—Sir—After a fair trial of almost everything without any good effect, I think I must attribute a remarkable cure to the power of your Galvanic and Magnetic artibles. If I am not mistaken in the cause, they have very seriously relieved me of Rheumatic Gout, of long standing, together with general nervous debility of the system.
MRS. MARY JACKSON,
109 Bank st, New York.

☞ Mrs. Jackson is a relative of Major M. M. Noah, who certifies to the truth of the foregoing statement.

APOPLEXY AND PARALYSIS.

☞ Captain Andrew J. F. Toines, residing at No. 70 Bridge street, Brooklyn, L. I, is in his 76th year. He has generally enjoyed robust health, but about 3 years since it began to fail. He was slowly recovering, under the prescriptions of Dr. John W. Francis, when he suddenly fell down insensible in the street, under a severe Apoplectic fit. On recovery he noticed that a portion of his side was apparently dead; and on further examination his physicians pronounced his case to be that of combined Apoplexy and Paralysis. The family of Capt. Toines were induced to try the Galvanic Rings and Magnetic Fluid, and for this purpose procured a pair of the Rings for the hands, a pair of Bands for the limbs, and one bottle of the Fluid. In twenty four hours after using these articles feeling was perceptible in the paralyzed parts, and perspiration broke out. *In five days he was able to raise his arm and use his hand, and in three weeks he was enabled to walk alone.* A period of nearly six months has now elapsed, during which time no symptom of Apoplexy has been apparent, he is enabled to take regular exercise and all his impaired faculties have been restored.

☞ The public are respectfully cautioned to beware of Spurious Imitations of these articles. Dr. Christie has but one authorized Agent in each city of the Union. GUYON & Co., corner of St. Charles and Canal streets, are the sole Agents for New Orleans, of whom alone the genuine articles can be obtained. s1

TESTIMONY FROM FRANCE & PRUSSIA
TO THE MERITS OF
SANDS' SARSAPARILLA.

The fame of this preparation is not confined to the limits of our own country, but by its powerful agency in arresting and curing disease, has won its way successfully into different countries in Europe, as the following unsolicited testimonials from individuals of the highest respectability show in the most conclusive and satisfactory manner. The same happy success has attended its use there, which has always marked its course wherever adopted, and diseases have yielded to its health restoring influence which Medical Men of profound skill had pronounced incurable. The most potent samples of the vegetable kingdom are united in this preparation, and the combination is such that one modifies and improves the other, and under the name of Sands' Sarsaparilla is presented a compound differing entirely in its character and properties from any other preparation, and unrivaled in its operation on the system when laboring under disease. Its approval by Physicians and the Medical Science, and the uniform success which has marked its use, furnishes proof sufficient to convince every candid and unprejudiced mind of its great superiority and value.

Legation United States,
Berlin, Prussia, April 8th, 1846.

Messrs. A. B. & D. Sands:—
Gentlemen—Having seen your Sarsaparilla used in this city with great effect in a severe case of Scrofula, I have been requested to order [illegible] dozen bottles, which please send, to the [illegible] of the enclosed draft on Messrs. Rich[illegible] & [illegible] with the least possible delay. I am impelled only by a sense of philanthropy, in begging you to publish this marked testimony to the value of a medicine which widely as it is known, is not known as it ought to be. I am gentlemen,
Respectfully yours, &c.
THEODORE S. FAY.

The following is an extract from a letter received from Mr. [illegible], whose wife had been afflicted with a Scrofulous affection of the nose, which baffled the skill of the first physicians in France; it commends itself to the attention of all:

Rennes, Department of Ille and Vilaine,
France, July 15th, 1845.

Messieurs Sands—
The Sarsaparilla you sent has been received, and the great effect it has produced, so rapid upon a short trial, as well as the high recommendations we have received [illegible] it [illegible] that the most celebrated physicians of France have not [illegible] My wife is fully determined [illegible] that a perfect cure is effected, [illegible] dear, and be assured, gentlemen, we shall take pleasure in making known its great virtues to our friends, and the public; and I doubt not that it will soon be extensively used here, and all over the world, as that only sufferers who had with joy will know that there is a vegetable preparation sufficiently powerful to eradicate their diseases. I have the honor to remain yours respectfully.
J. MACE, No. 1 Rue Louis Philippe.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

INSTITUTIONS.

MANDEVILLE COLLEGE.—This Institute, situated upon Lake Pontchartrain, some twenty miles from New Orleans, presents many and great advantages to parents wishing to have their children well educated. The locality is perfectly healthy and the bathing excellent. Every branch of useful and polite instruction is attended to, among which may be mentioned the English, French, Spanish, Latin and Greek Languages, Mathematics, Logic, Rhetoric, History and Geography, (ancient and modern,) Natural Philosophy, Astronomy, &c., together with Music, Drawing and Fencing. The students have every opportunity of engaging in exercises conducive to health, promenades in the adjoining beautiful and picturesque country being permitted under the guidance of a Prefect, as often as is judged expedient. The discipline is mild, but firm, (no corporal punishment being allowed.) privation of certain privileges being the chief mode of restraint employed. This faculty consists of eight Professors, one of whom acts as a Prefect. There is also a Steward, who supplies the table, and the College domestics, and attends to the Lingerie. A Library for the Students has been recently commenced and is rapidly increasing through the aid of the patrons of the College. The French Professor (being in some respects unsatisfactory to the Direction) has been superseded by another, fully competent to the duties devolving upon him. Every thing promises well for the future, and the patronage of the public, interested in the cause of education is respectfully solicited.
J S WHITAKER, President.
JUAN B LOPEZ, Proprietor.

(Lycée d'Orléans.)

THE Directors of the Institution, Messrs EVERETT WYNDHAM and MERVOYER, having unswervingly acted up to their original plan, as laid down in the Statutes, have succeeded in giving the High School a rank among the best educational establishments in the South.

The seat of the Institution is in a part of the city ever noted for its salubrity. The buildings and premises are admirably adapted to the purposes of a large School.

The system of Education embraces the Grammar and the Literature of the Greek, Latin, French and Spanish Languages, Rhetoric, Poetry and Mythology, History Geography, the use of the Globes, Book-keeping, Arithmetic, Algebra, Geometry, Plane and Spherical Trigonometry, Surveying, Natural Philosophy, Moral Philosophy, &c.

The various branches of knowledge are taught by the Directors, Messrs EVERETT, WYNDHAM and MERVOYER, and by Assistant Instructors, selected for their eminent skill in the business of Teaching.

The Directors also employ two gentlemen, who, enforce correctness of Deportment whenever the pupils are not in a recitation room under the eye of an Instructor.

The Institution receives Boarders, Half-Boarders, and Day-Scholars. The price of Board, (washing included,) and Tuition in all or any of the branches is twenty dollars per month. The price of Half Board is $15 per month.—The price paid by Day Scholars is six, nine, or twelve dollars, according to the knowledge previously acquired.

MADAME GRANET has the honor to inform the Parents of her Pupils and the public that her institution will be removed on the 15th of November next, from No 20 Bourbon street to No 86 Customhouse street, between Royal and Bourbon streets.

The yard for recreation is also large and entirely enclosed from all exterior communication.

Madame Granet is seconded in her arduous duties by her eldest daughter, and the pupils receive the same parental care, attention and vigilance as her own family.

The branches of instruction are the English and French Languages, Writing, Arithmetic, Geography, Mythology, Astronomy, Literature, Drawing, &c. and are taught by Messrs. Telbiard, Norks and Lord.

Particular attention is paid to Music and Singing. The Harp and Piano are taught by Madame Eliza Granet, and singing by Mr. Brocard.
