MEDICAL.

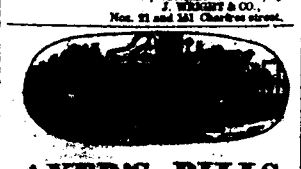
Holloway's Ointment and Pills are astonishing remedies for bad breasts.—The wife of Mr. John Langton, of Cincinnati, O., had a remarkable bad breast, in which there were two large running wounds; to what cause to attribute it the doctors did not know, but advised the adoption of a variety of remedies, which were of no use. At last Mr. Langton determined to try what Holloway's Pills and Ointment would do. He fortunately purchased a quantity, and after his wife had used them for three weeks, a visible improvement took place; by continuing them for two months, she was perfectly cured.

*Sold at the Establishments of Professor Holloway, New York and London; also by all respectable Druggists and Dealers in Medicines throughout the United States, in pots and boxes, at 25 cents, 62½ cents, and $1 each. To be had wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot and Box.

For sale in New Orleans, wholesale and retail, by J. WRIGHT & CO., Nos. 21 and 151 Chartres street.



AYER'S PILLS.

GOOD MEDICINES.

IT is estimated that AYER'S CHERRY PECTORAL AND CATHARTIC PILLS have done more to promote the public health than any other one cause. There can be no question that the Cherry Pectoral has, by its thousand on thousand cures of Colds, Coughs, Asthma, Croup, Influenza, Bronchitis, &c., very much reduced the proportion of deaths from consumptive diseases in this country. The Pills are as good as the Pectoral and will cure more complaints.

Everybody needs more or less purging. Purge the blood from its impurities. Purge the bowels, liver, and the whole visceral system from obstructions. Purge out the diseases which fasten on the body to work its decay. But for disease we should die only of old age. Take antidotes early and thrust it from the system, before it is yet too strong to yield.

Ayer's Pills drive out disease, not only while it is weak, but when it has taken a strong hold. Read the astounding statements of those who have been cured by them from dreadful Scrofula, Dropsy, Ulcers, Skin Diseases, Rheumatism, Neuralgia, Dyspepsia, Internal Pains, Bilious Complaints, Heartburn, Headache, Gout, and many less dangerous but still threatening ailments, such as Pimples on the face, Worms, Nervous Irritability, Loss of Appetite, Irregularities, Dizziness in the Head, Colds, Fevers, Dysentery, and, indeed, every variety of complaints for which a Purgative Remedy is required.

These are no random statements, but are authenticated by your own neighbors and your own physicians.

Try them once, and you will never be without them.

Price, 25 cents per box—5 boxes for $1.

Prepared by Dr. J. C. AYER, Chemist, Lowell, Mass., and sold by all respectable Druggists everywhere. JOHN WRIGHT & CO., Wholesale Agents, feb19 3m 3taw 4tc Nos. 21 and 151 Chartres street.

DAY AND BOARDING SCHOOL. UNDER THE DIRECTION OF MADAME PARENT, Corner of Rampart and Du Maine streets.

THIS institution occupies one of the best locations in the city with respect to health and many other important advantages. The building is magnificent, the apartments are vast and well ventilated, and are particularly well adapted for classes.

There are four fine dormitories with dressing cabinets; also spacious galleries all through the house; a splendid terrace commanding a most beautiful view of the city as far as the Lake.

The best advantages are offered to parents, as to the moral and intellectual cultivation of the minds of their daughters.

Madame Parent is always present with her pupils; she teaches during the hours of class, and supervises the different divisions. There is an ample number of the best professors employed, besides ladies residing in the institution.

Every branch of a solid and refined education is taught in both languages; all accomplishments, such as Drawing, Painting, Dancing, and Embroidery, &c.

The Musical department (including vocal and instrumental) is conducted by four of the most competent and acknowledged talents in the city.

It would be superfluous to say anything regarding the special attention given to the English, it being Madame Parent's native language. The best guarantee that she can give to the public is that the French young ladies who have been educated by her speak it as fluently as their mother tongue.

For terms, apply at the institution, where prospectuses can be obtained.

YOUNG LADIES residing at a distance in the different Parishes, will be conveyed gratis to and from the institution.

St. Louis Institute.

213 Dauphine street, between Ursulines and Hospital.

MADAME DERON informs her thanks for the confidence reposed by parents in her care, which she has found in the three prosperous years of the Institute, and hopes to merit a continuance of their patronage. [illegible] the success of her pupils in the Examination of young ladies who have [illegible]

Mrs. DERON wishes that modest and elegant manners be imparted to her pupils while retaining a solid instruction based upon morality and religion; in a word, a complete education, which will enable them one day to guide their own children. She hopes that her motives will be appreciated by intelligent mothers, who prefer profound studies to a brilliant success in a public exhibition. The award of premiums in the St. Louis Institute, following a serious examination, will then always be a family fete, but none but parents feeling an interest in the progress of the pupils will be admitted.

Music, as well as general instruction, (which will not interfere with the latter,) will be carefully and constantly attended to. Mrs. Deron has engaged in France, for her establishment, the services of an Italian lady, who is an excellent professor and most talented singer. The course of solfeggio and singing cannot fail to be admirably conducted by Mrs. TACCANNI TASCA, whose splendid voice will always be assisted by her excellent method. Pupils in the city can be taught by Mrs. Tasca at the institute.

NOTICE.

Mrs DERON having often been applied to for private lessons by young ladies who could not follow the regular classes, a French class, on the plan of Messrs. Remy and Levi, in Paris, will be opened on the 1st of January next, three times a week, in the establishment, and be divided into a primary and superior course. The pupils of the establishment will, of course, be the first admitted to the same, and will doubtless contribute to the progress of the newcomers by exciting a general emulation.

Mothers may attend the course, should they choose to do so. dec6 1m

G. BOYER'S INSTITUTION,

No. 148 Canal street, between Dauphine and Burgundy streets.

MR. G. BOYER, founder of this establishment, the oldest in New Orleans, avails himself of this opportunity to make a new appeal to the confidence of parents. This institution is conducted in a large mansion, occupying a fine central position, being well ventilated, and in other respects perfectly salubrious. The range of studies which engage the attention of the pupils, extends over all the branches of learning which are necessary to a useful, polite and finished education; from primary instruction to the more advanced subjects, which are especially the province of a collegiate course. The studies are directed and extended to settle more than ordinary care, considering the decisive influence which they exercise over the other branches of instruction. Discipline, which must not be separated from assiduous study, but from it good education, is conducted with attention. It is regulated according to the age and character of the students, and intended to give them an accurate idea of duty and behavior.
