THIS College, incorporated by the Legislature of the State of Missouri in 1843, with University privileges, is situated in one of the most beautiful locations on the river Mississippi, forty miles above the mouth of the Ohio, it commands a beautiful view on each side of the river.—Forty acres adjoining the College have been provided for its use; and also, a mile and a half from the town, a country house where the pupils may spend their days of recreation.

THE SYSTEM OF EDUCATION EMBRACES

Reading, Writing, Grammar, History, Rhetoric, Poetry, Mythology, Geography, the use of the Globes, Book-keeping, Arithmetic, Algebra, Geometry, plain and spherical Trigonometry, Mensuration, Surveying, theoretical and practical Astronomy; the French, Spanish, German, Italian, Latin and Greek Languages; moral and natural Philosophy; Botany and Chemistry; Music and Drawing.

The College is supplied with a Philosophical apparatus. The professors of the English, French, Spanish, German and Italian Languages are gentlemen to whom the language which each teaches is his mother tongue.

The scholastic year commences on the second Monday in September, and finishes on the last Thursday in July, on which day the annual commencement is held, premiums are distributed and degrees conferred.

The terms for boarding, lodging, tuition, washing, mending and doctor's fee are $150 per annum, payable half yearly in advance. An extra charge of $10 per annum will be made for those who study Spanish, German or Italian; the same extra charge for the study of Natural Philosophy and Chemistry, to pay for the breaking of apparatus. An extra charge of $25 will be made for the study of Music or Drawing.

If parents desire their children to be clothed at the Institution, it will be necessary to place a sufficient sum in the hands of the Treasurer.

Semi annual bulletins, informing of the health and progress of the pupils, will be forwarded to parents and guardians.

Those who may send from foreign countries, or remote districts, will please to appoint a responsible agent at New Orleans or St. Louis.

MASONIC COLLEGE,

Established by, and under the patronage of the Grand Lodge of Kentucky.

THIS flourishing Institution, possessing full Collegiate powers, offers peculiar inducements to Southern parents and guardians. Its location is at one of the most beautiful points in Kentucky—La Grange, the County Seat of Oldham Co.—25 miles from Louisville, 18 from Shelbyville, 35 from Frankfort, and 8 from Westport, on the Ohio river. The community in which the students mingle, is highly moral, intelligent, and refined; the town containing about 300 inhabitants, free from vicious associations, or contaminating influence. The *Course of Study* is full, embracing Mathematics, ancient and modern Languages, Natural and Moral Science. The *Faculty* consists of the President, who is also Professor of Mental and Moral science, a Professor of mathematics, one of Languages, and a Teacher of the Preparatory Department. The high reputation so deservedly enjoyed by the President, and the zeal and ability heretofore exhibited by the other members of the Faculty, who are graduates of the best Colleges in the land, afford a sure guaranty of their future success.—The *terms of tuition* are extremely low, viz:

In the *Preparatory Department*, per year	$12.
In the *College Proper*, per year	20.
Boarding, washing, &c, per week,	1 50 to 1 75.

Scholarship may be had on the following terms:—$50 for 5 years tuition—$100 for 10 years—$300 for a perpetual scholarship—in each case, the amount to be paid in advance. On this plan, the whole expense for tuition, boarding, lodging, washing, fuel, and lights will not exceed $70, per pupil per scholastic year of ten months.

For further particulars address

SAND'S SARSAPARILLA,

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and, by its intrinsic medicinal value, the public generally (but the afflicted particularly) have been made acquainted with its usefulness, in the removal and cure of diseases having their origin in an impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, anti-eptic and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, and all internal disorders not organic, but springing from a disordered circulation, give way before its hygeian influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

"MADISONVILLE, Ky., February 22, 1845.

Messrs. A. B. & D. SANDS,—Having used your Sarsaparilla in my family, and witnessed its beneficial effects on one my children, I feel it to be a duty I owe the community to make the case public. About two years ago my little son was attacked with Scrofula or King's Evil, which broke in eight or nine places round the neck or jaw, and which finally affected his eyes, rendering him entirely blind. During the first year from the time he was taken, he was attended by several physicians, but continued to get worse until I despaired of his ever getting well. Having seen your Sarsaparilla advertised with certificates of its cures, I concluded I would give it a trial, and accordingly sent to Cincinnati and procured a few bottles, and now, after having used in all nine bottles, I have the gratification of saying he is well. The sores are all entirely healed, and his sight nearly as good as ever it was, and I have no hesitation in saying that he was entirely cured by the use of your Sarsaparilla.

Yours, truly, E. BASSHT.

NEW YORK, April 22, 1845.

Messrs. A. B. & D. SANDS—Gentlemen,—I was troubled with a severe ulcer on my ancle, which extended half way up to the knee, discharging very offensive matter, in fact, burning, and depriving me of my rest at night, and very painful.

I was recommended to use your Sarsaparilla by Mr James McConnell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest reappearance of it, and that I am entirely well.

Yours, very truly, SARAH M'INTYRE,
240 Delancy street, New York.

MOBILE, Ala., Nov. 29, 1845.

MESSRS. SANDS—I deem it an act of justice to myself and the community at large, to relate the following facts which occurred in our neighborhood in the latter part of July last. Jane C—, a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Moberly & Tucker, your Agents in this city, which I gave to her. I called to see her the next day, and she told me had taken two doses and felt very much relieved. I laughed immoderately at this, but she said it was really so, and gentlemen, in a week, in two weeks from the time, the sore commenced using it, there was neither sign nor appearance of where the sore had been.

Yours, respectfully,
J. G. HOUSEMAN, 53 Dauphin st

Galvanic Rings and Magnetic Fluid.

THIS remarkable discovery which has attracted so much attention in Europe and recently in the Northern States, is now introduced, for the first time to the citizens of New Orleans. It comprises an entirely safe and simple application of the Mysterious Power of Galvanism as a remedial agent. The GALVANIC RINGS in connection with the MAGNETIC FLUID have been used with the most perfect success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs; *Gout, Tic Doloreux, Toothache, Bronchitis, Vertigo, Nervous or Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitation of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.* In cases of Dyspepsia which is simply a nervous derangement of the digestive organs, they have been found equally successful. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience.

The Galvanic Belts, Bands, Bracelets,

Are modifications of the invention, and are recommended in more chronic cases of disease, where the Rings do not possess sufficient intensity of power. They are adapted to the waist, arms, wrists, ancles, chest, or any part of the body, with perfect ease. Any Galvanic power that is required may thus be obtained, and no complaint which the mysterious agent of Galvanism can affect, will fail to permanently relieved.

Christie's Magnetic Fluid

Is used in connection with the Rings and their modifications. This composition has been pronounced by the French chemists, to be one of the most valuable discoveries ...
