MEDICAL.

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

OF all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this Preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it, but those who have not. Families that have known its value will not be without it, and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected, ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September, 1847; also, the Medals of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the CHERRY PECTORAL, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion founded on the long experience of the eminent Physician of the Port and City of ST. JOHNS, May 8, 1851.

Dr. J. C. Ayer—

Five years trial of your CHERRY PECTORAL in my practice, has proved what I foresaw from its composition, must be true, that it eradicates and cures the colds and coughs to which we, in this section, are peculiarly liable.

I think its equal has not yet been discovered, nor do I know how a better remedy can be made for the distempers of the Throat and Lungs.

J. J. BURTON, M. D., F. R. S.

See what it has done on a wasted constitution, not only in the following cases, but a thousand more:

SUDBURY, Jan. 24th, 1851.

Dr. Ayer: In the month of July last I was attacked by a violent diarrhoea in the mines of California. I returned to San Francisco in hope of receiving benefit from a change of climate and diet. My diarrhoea ceased, but was followed by a severe cough—and much soreness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must confess that I saw no sufficient reason to doubt what my friends all believed. At this time I commenced taking your truly invaluable medicine with little expectation of deriving any benefit from its use. You would not receive these lines did I not regard it my duty to state to the afflicted, through you, that my health, in the space of eight months, is fully restored. I attribute it to the use of your CHERRY PECTORAL.

Yours truly, WILLIAM W. SMITH.

WASHINGTON, Pa., April 12, 1848.

Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A Cough and the alarming symptoms of Consumption had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "Pectoral." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health.

If it will do for others what it has for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am
Very respectfully yours,
JOHN J. CLARKE,
Rector of St Peter's Church.

With such assurance and from such men, no stronger proof can be adduced unless it be from its effects upon trial.

RHEUMATISM CAN BE CURED!

We now have for sale the Celebrated Remedy,
MORTIMORE'S
RHEUMATIC COMPOUND,
AND
BLOOD PURIFIER,

WHICH HAS GAINED SUCH GREAT POPULARITY wherever introduced, as the only specific known for the effectual cure of this painful disease. Thousands have already cured thousands of cases, comprising every [illegible] form of this complaint, from the inflammatory (acute) form, attended with swellings and enlargement of the joints, to old chronic cases of from ten to twenty and thirty years' standing. Those who had for years resorted to the various celebrated springs, had tried all the liniments and external applications, and been under the treatment of some of the ablest physicians both in this country and Europe, and were pronounced incurable; still, after all these efforts had failed, this compound has cured them. Many who have been cripples, either hobbling upon crutches or confined to their beds [illegible] the use of this remedy.

We have not space, in a newspaper advertisement, to [illegible] abundant evidence in its behalf. The evidence comes from sources which must inspire confidence [illegible] The conductors of high-toned papers [illegible] have published to the world its wonderful and beneficial effects upon themselves and those [illegible] even in extreme cases, where consultations had been held, and they had decided there was no hope. [illegible] the experience of friends and members of families [illegible] the prevalence of epidemic cholera and summer complaints [illegible].

We most respectfully ask those who are afflicted to send to the agents in their vicinity and get a circular, and read the certificates of Rev. Mr. Mitchell, Rev. N. G. Berryman, Rev. J. H. Linn, Rev. J. M. Kelly, Rev. H. A. Colton, and other clergymen, who we are glad to say are eminent in the Church, [illegible] Bank of the State of Missouri, Geo. G. Atherton, officer of the Bank in St. Louis, Messrs. Jas. H. Edds, S. Downing, A. Holland, C. W. Story, J. W. Christy, Joseph Southack, with other prominent merchants of St. Louis, as well as numbers of other citizens.

This is the evidence and these are living witnesses, where this great remedy was first introduced, and where many thousands have been cured during the last two years. The proprietors have now opened their Great Central Office at No. 1 Barclay street, (Astor House) in the city of New York, where all orders for this medicine will be promptly attended to.

This is a vegetable spirit—an internal remedy, prepared and recommended for this one disease alone—THIS IT WILL CURE.

Price, $1 per single bottle, or three bottles for $10.

COLLEGE.

St. Ann Street, facing the Place d'Arms, Old "Congo" Square, under the direction of MR. JEGOU,

Master of Arts and Mathematical Science.

Encouraged by the kindness and patronage of several families of standing, I have determined to open a College, securing to parents for their children the same advantages as those offered by Colleges in New Orleans, where a thorough education is received. For the purpose of obtaining the object for which this College is founded, I have secured the co-operation of the most competent Professors, who will superintend the course of instruction, some in English and others in French; these two languages being indispensable. A good education should comprise the training of the heart as well as that of the mind; the Professors will, therefore, have a proper regard for both in their teachings, and each will be the constant object of their care.

Religion, the most essential part of education, will receive from them and myself, special attention.

The College, fronting the Public Square, (old "Congo" Square) possesses all the advantages of a healthy location, and parents are solicited to visit and examine it.

With a view to foster the emulation of the students, the first day of each month will be devoted to a Literary Soiree, at which recitations in the several languages will take place, and the distribution of the several prizes earned during the month, will be made to the students.

In order to class, as much as possible, children of the same age, a Primary School is attached to the College, in a separate portion of the establishment.

PRIMARY SCHOOL—BRANCHES OF INSTRUCTION.—Reading, Writing, Arithmetic, English, French, Geography, and History of the United States.

Price of Tuition—Four Dollars.

COLLEGE—BRANCHES OF INSTRUCTION.—Writing, Book-keeping, English, French, Greek, Latin, History, Geography, Physical and Natural Sciences and Mathematics. Such accomplishments as Music, Fencing, and Dancing will be charged separately.

Price of Tuition—Five, Six, Seven, and Eight Dollars.

HOURS OF TUITION—From 8 o'clock in the morning to 3 in the afternoon.

EVENING CLASS—This class will be open from 7 to 9 o'clock. Young men will there be taught English, French, Writing, Arithmetic and Book-keeping, by the best masters.

Price—Four Dollars. mh18

ORLEANS HIGH SCHOOL.

58 and 59 Esplanade street.
ERASTUS EVERETT, A. M.,
Principal and Proprietor.

THE classes of this Institution are all organized, and the Principal is able to announce that he is prepared to maintain for the School its long established reputation for thorough training in all the branches of useful and polite learning. Mr. Everett will, as heretofore, have charge of all the English classes, including Literature and Criticism, and a part of the Mathematical classes. He still retains the valuable services of Mr. Jeannin, as Professor of the higher mathematics; Mr. Marc as Professor of Spanish and adjunct Professor of French, and Mr. de Tournere, as Professor of Greek, Latin and French.

The Mathematical department receives special attention.

Students can be instructed at the expense of parents, in Drawing, Music and Fencing, skillful masters of these departments being connected with the school.

The elementary class is under the immediate supervision of Mr. Everett who teaches them himself in English, and Arithmetic, and who has confided them to an experienced and skillful Professor in French.

Parents are invited to visit the Institution where they may obtain Prospectuses. o28 tf
