—Memoranda.—

KEY WEST, Aug 4, 1853.

Friendship Isabel, on her arrival from Charleston this day, brought news of a French brig being ashore on the reef early in the morning of that day. On the 30 the schooner Col. DeRamy arrived with cargo of French brig Jeune France, Chouvaouda, from New Orleans, July 19th, with the following cargo—180 hhds of tobacco, 1260 pitch pine flooring plank, and 2 bales cotton cards.

Brig struck at 3 o'clock on the morning of the 1st August, and seen by men on board the schooner Col. DeRamy, at anchor near the Key, opposite to the reef from which the vessel struck. Her boats were got out, and there being little wind, they boarded the brig; and having given up to them, they threw overboard the cargo before the wreckers could get along side. By 12 o'clock this well timed service, the brig was lightened 17 feet and was reached from her perilous position.—The brig has apparently received little damage. She is now safely moored in port.

Brig belonging French Coastel, F. J. Morano, Esq., will be one of the seasons.

Coastwise Ports.

MEDICAL.

SANDS SARSAPARILLA.

IN QUART BOTTLES.

For Regulating the Stomach and Bowels, for the Cure of Scrofula, Rheumatism, Mercurial Affections, Dyspepsia, Salt Rheum, Fever Sores, Eruptions, Pimples, Boils, Mercurial Debility, Liver Complaint, Loss of Appetite, General Debility, &c.

In this preparation, the Sarsaparilla combined with the Medicinal properties of Sarsaparilla, combined with the most efficacious aids, the most salutary properties, of the most potent simples of the vegetable kingdom; and the combination is such that one medicine will improve the other, producing a compound differing entirely in itself, in virtues and properties from any other preparation, and unrivaled in its operation on the system when laboring under disease. The many well authenticated cures, effected in the most malignant character, have given it a wide and deserved celebrity. But it is exclusive in Scrofula nor to the class of diseases to which it belongs, that this preparation has been found beneficial. It is a specific in many diseases of the skin, and may be adduced with favorable results to all; and it has been so fully tested, not only by persons themselves, but also by Physicians, that it has received their unqualified recommendations and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds, bearing the name of Sarsaparilla.

READ THE FOLLOWING TESTIMONY.

CAMBRIDGE, Md., Oct. 5th, 1850.

MESSRS. SANDS,

Gentlemen—My little daughter was afflicted for a long time with Sore Head and Eyes, and by using your Sarsaparilla, was perfectly cured, other medicines and Sarsaparilla having failed to relieve her. Having used it and found the efficacy, I now confidently recommend it in preference to any other, as it seems to possess properties not established in any other preparation; and I feel that purchasers after they have used it invariably want the same article again, whenever they require a medicine for which this is recommended.

Respectfully yours,

J. PLINT, M.D.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton st., corner of William, New York. Sold also by Druggists, generally throughout the United States and Canadas. Price $1 per bottle; six bottles for $5.

For sale by Sickles & Co. J Wright & Co. H Kennedy and F P Dunegan New Orleans.
