ARRIVED AT THE UNIVERSAL FAIR, 1855.

ANTI-RHEUMATIC AND ANTI-GOUTY WINE OF DOCTOR D'ANDURAN.

The efficacy of this specific remedy against gout and RHEUMATISM is supported by numerous observations made by French and foreign physicians. It will not only stop at once the access, but also destroy the cause of the disease. It is at the same time purgative, sudorific and diuretic, counteracting plethora of the blood, and preventing congestions of the wide tubes of the lungs. As a chemical analysis will prove, and the sale has increased and soon is doubled in its properties by the action of the ANTI GOUTY WINE which bottle is contained in a box wrapped with a label, bearing the inventor's signature, viz: D'ANDURAN.

TONI-PURGATIVE PILLS,

Composed wholly of vegetable substances, are prescribed against acidities of the stomach, bilious digestions, cholic, liver complaint, nervous affections, headaches, stupidity, dropsy, intermittent fevers, nausea, all cutaneous diseases, &c.—Price, 2 francs a bottle.

Sold, in Paris, by A. D'ANDURAN & CO., *Simon Le Franc*, 10 Place de la Bourse, Rue St. Guillaume, druggist; L. CASTEL, druggist; L. TRONCHIN, druggist, Place de la Madeleine; MAILLEFERT & CO.

☞ Notice.—Orders at wholesale can also be forwarded directly to H. GAILLARDET, Drug Commission House, No. 21 Trevise street, Paris.

DIAPALMOUS PLASTER
OF CAMPHORATED ACONITE.

After gouty pains, there remains in the articulations a certain weakness and torpor. Use this diapalmous plaster; it will give tone and strength to all these parts. It is also recommended in all irritations of the chest, bladder, &c.—Price, 25 cents a roll.

Approved by the Academy of Medicine of Paris.

HUILE DE FOIE DE MORUE DE HOGG

DRUGGIST, NO. 2 CAPUCHONS STREET, PARIS.

The *only oil*, of a straw color, which has obtained an *honorable mention* at the Universal Fair, for its efficacy against *diseases of the chest, lungs, glandulous tumors, rheumatism, scrofulous and lymphatic affections, rickets, emaciation of children, whites, etc., general debility* of the *organs* in either sex, and in the *convalescence* of the *females in pregnancy* and to *wet nurses*.

Important Observations:

1st. It is the only oil that is *natural*, in almost *colorless*.

2d. It *tastes* quite sweet and without *acridity*.

3d. Its *smell* is that of *fresh fish*.

4th. Taken cold in the trade, the color of which is *brownish*, the smell noxious and the taste acrid and bitterish, are so only because they have been hastily prepared, from cold and putrefied livers, in violation of a report to the Imperial Academy of Medicine of Paris, read on the 25th December by Mr. Deschamps, of Avallon. According to Mr. Soubeiran, Professor of the Pharmacy of Paris, *this oil is the medical preparation than the colored oils.*" Treatise of Pharmacy, page 603.

Mr. Lasnier, Chief of the Chemical Department in the Hospital Lariboisiere, says, in his work, page 114, that the *straw-colored oil of Mr. HOGG* contains almost *twice* as much of *active properties* as the *dark-colored* cod liver oils.

NOTICE.—To avoid all counterfeit, the wrapper is illustrated, and never, or to any person, in barrels, by the quart or at retail.
