

minimum_distance_point
_test_suite::simple_2d_test

```
graph LR; A["minimum_distance_point_test_suite::simple_2d_test"] --> B["eli::util::tolerance::approximately_equal"]; A --> C["eli::geom::intersect::minimum_distance"]
```

The diagram illustrates the dependencies of the `minimum_distance_point_test_suite::simple_2d_test` test suite. It is represented by a gray rectangular box on the left. Two blue arrows originate from the right side of this box, pointing to two separate white rectangular boxes on the right. The top arrow points to a box containing the text `eli::util::tolerance::approximately_equal`. The bottom arrow points to a box containing the text `eli::geom::intersect::minimum_distance`.

eli::util::tolerance
::approximately_equal

eli::geom::intersect
::minimum_distance
