GUILD'S PATENT LONG TO STOVES ALLED QUEEN OF THE WEST.

THE undersigned, agent for the sale of this article for the first time introduced to the city of the south, offers to the public, large Baltimore depot, to offer at public auction thereto.

He refers to the subjoined testimonials, unsolicited as to its economy, neatness and general utility.

We, the subscribers, having used the same time Guild's Patent Cooking Stove, called the Queen of the West, feel no hesitation in saying we consider it the best stove we have ever used, for economy, neatness, or cleanliness, we think it surpasses all others, cooking superior, thus that we have seen in use. It seems to have supplied one great desideratum but hitherto attained, and we recommend it to the public as such. Its operation is equally on every side, and the fire being kept from the oven, brings the heat same, lightly in a state, with the fire so that it performs all the different offices of a cooking stove, and in addition, shows the fire at the same time, and with the least possible quantity of fuel, and different sizes, that it is adapted to supply the place of the wood all, from the smallest family, to the hotel and steamboats.

LIFE INSURANCE.

OCEAN INSURANCE COMPANY—The absence of any institution in this city for insuring lives, and the extensive agencies of premiums demanded by the northern and European companies, for insuring life policies to persons residing in Louisiana, have determined the Board of Directors of this Company to put into operation that clause in their charter which authorizes insurance upon lives, on a scale of premiums which will enable every one who can be in receipt of a moderate annual income to secure for those who are dependent on them a comfortable provision against the death.

The scale of premium is as nearly as possible, the average of those adopted by the London offices for insuring lives in England, in addition whatever being made for difference of climate, and by this first an annual premium of twenty dollars paid by a person 30 years old will secure the payment of one thousand dollars to his assigns should he die within the year, with annual premium of one hundred dollars will secure two thousand dollars—and so on in proportion for any larger amount.

The Company will issue policies for any term from one to ten years, and the premium can be paid quarterly, half yearly or yearly.

Any further information that may be required will be furnished on application to the office No. 107 Camp street, corner of Gravier street.

By order of the Board.

CHS BRIGGS, Secretary.
