

eli::geom::curve::length

```
graph LR; A[eli::geom::curve::length] --> B[eli::geom::curve::piecewise::find_segment]; A --> C[eli::geom::curve::length];
```

A diagram illustrating a function call. A gray box on the left contains the text 'eli::geom::curve::length'. Two blue arrows originate from the right side of this box. The top arrow points to a white box containing 'eli::geom::curve::piecewise::find_segment'. The bottom arrow points to a white box containing 'eli::geom::curve::length'.

eli::geom::curve::piecewise
::find_segment

eli::geom::curve::length
