

eli::geom::utility
::report_point_continuity

```
graph LR; A["eli::geom::utility  
::report_point_continuity"] --> B["eli::geom::utility  
::internal::report_point  
_continuity"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and contains the text 'eli::geom::utility' followed by '::report_point_continuity' on the next line. The right box has a white background and contains the text 'eli::geom::utility' followed by '::internal::report_point' on the next line, and '_continuity' on the third line.
