

include/eli/geom/intersect
/minimum_distance_line.hpp

```
graph TD; A["include/eli/geom/intersect  
/minimum_distance_line.hpp"] --> B["cmath"]; A --> C["eli/code_eli.hpp"];
```

The diagram illustrates the include dependencies for the file `include/eli/geom/intersect/minimum_distance_line.hpp`. Two blue arrows point from the main header file box to the dependent files: `cmath` and `eli/code_eli.hpp`.
