MEDICAL

BULL'S SARSAPARILLA.
In pint bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation made in America.
Price $1 per bottle, or six bottles for $5.
Bull's Sarsaparilla is a well established fact for years past. Its Sarsaparilla, when pure and properly prepared, is not only the purest and most active of all the vegetable blood purifying principles, but it also acts on the liver, kidneys, and other secretory organs, and thus carries off the impurities of the blood through these channels, and by its tonic effect on the system, it prevents the return of the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.
I have been troubled with Rheumatism for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS,
Uniontown, Union Co., Ky. May 12, 1848.

From Dr. Wm. T. Prentiss:
MR. BULL:—In regard to your sarsaparilla, I will say that I have used it to some extent in Cutaneous Affections of long standing, such as Tinea Capitis, Lepra, Prurigo, Scabies, Syphilitic, Cachexia, and in all diseases where the indication of cure seems to consist in a thorough change or modification of the vital fluid of the body, with considerable success, in conjunction with local treatment. I think I would prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours W. T. PRENTISS, M. D.
Lewisport, Ky. Dec. 4, 1847.
It is perhaps needless to produce any further testimony in favor of this invaluable medicine; it has only to be tried and proved to convince the public of its superior efficacy. Let all who are labouring under chronic diseases, general derangement, nervous debility, or any form of Blood Disease, try this, or anything of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it. Let them try it, and we assure them that they will not regret it.
NOTICE TO FEMALES.
John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. In those numerous complaints peculiar to the delicate sex, where nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the menses irregular or suppressed, the spirits wearied and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her difficult duties, gives her strength, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. We feel confident that if our fair friends will try this medicine, we would see far less suffering, disease and unhappiness among them than now exists, health would take the place of disease, the rosy cheek would supplant the pale, the sparkling eye would shine instead of tears, and perhaps a happy long life instead of one cut short by disease, or made miserable from continued suffering and affliction. At the certain prospect of a remedy for these evils, which, when attendant with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All those approaching this crisis should be apprised of this fact, and avail themselves of this valuable medicine.
A BEAUTIFUL CLEAR SKIN.
How many ladies would be delighted with a fair and a rosy colored cheek! How often do we meet persons not possessing this desideratum so devoutly to be wished, resorting to cosmetics, lotions, washes, paints, and other injurious preparations, to take on a semblance of that which disease has deprived them of, and that, too, often times, with manifest injury to the skin. The fair lady should be prepared in the best manner. It makes the skin clear upon the surface and only true principles, not by coating the surface with poisonous or deleterious matter, which fills the pores of the skin, and thus prevents it from by removing every particle of bilious, morbid and diseased matter from the blood, making the same pure, healthy and vigorous, giving activity to every muscle, nerve, and fibre, and bringing the yellow, dark and sallow complexion to the blush and freshness of youth. If the ladies generally, could be apprised and convinced of this fact, they would abandon the use of paints, mixtures and lotions, and use the only effectual remedy, namely, "Bull's Sarsaparilla and a bottle is enough for the ladies.
BETTER TESTIMONY
Than was ever offered. Mississippi!
From Mr. Moore:
Mr. JOHN BULL—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain—I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever used.
I have been free from pain for several months, and have no doubt the cure is permanent, and I confidently recommend it as being the best medicine in use for rheumatism. ISHAM BRIGGS,
Uniontown, Union Co., Ky. May 12, 1848.
