On the morning of the 9th, off the Casket, let one man overboard, in attempting to save him swamped a boat; another man being washed overboard at the same time; got over the second boat, manned with four men, and when about to shove off a sudden squall from W. N. W struck the ship. This boat's crew were saved with great difficulty, and the second boat lost, much damage being done to the sails, running rigging, &c. That night experienced very heavy gales from the Westward. Put into Plymouth on the 13th to repair damages; the wind still blowing heavily from the West ward."

BULL'S SARSAPARILLA.

Is put up in full quart bottles and contains the strength of BLACKBERRIES in which pure Brandy and Sarsaparilla are the ingredients.

Price $1 per bottle or six bottles for $5.

HAS been a well established fact for years past, that Sarsaparilla, properly prepared, was the most powerful purifier of unhealthy fluids in impure state of the blood, the use of which has invariably driven out the Mercury, Iodine, Iodide, Bromine, &c. We boldly assert that JOHN BULL'S FLUID EXTRACT OF SARSAPARILLA is the only preparation before the public that is prepared on strictly scientific principles and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used.

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound and producing the *greatest curative agent in the known world!*
