

include/eli/constants
/math.hpp

```
graph TD; A["include/eli/constants<br>/math.hpp"] --> B["cmath"]; A --> C["eli/code_eli.hpp"]
```

The diagram illustrates a C++ header file's dependencies. At the top, a grey box contains the text 'include/eli/constants /math.hpp'. Two blue arrows originate from the bottom of this box. The left arrow points to a white box labeled 'cmath'. The right arrow points to a white box labeled 'eli/code_eli.hpp'.
