LES CÉLÈBRES

JUPES-MALAKOFF ELLIPTIQUES

On à doubles ressorts DE J. W. BRADLEY

Sont universellement reconnues par les dames de tout le pays, comme les plus parfaites et les plus agréables qui aient jamais été inventées. Elles sont sans égales pour l'élégance, la légèreté, la durée, l'agrément et l'économie.

Elles ne se courbent pas et ne se cassent pas comme les jupes à ressorts simples, mais conservent leurs parfaits et excellents contours plus de deux fois le temps que ne saurait les conserver aucune des jupes qui aient jamais été faites ou qui puissent être faites. Cette invention consiste en deux ressorts elliptiques en acier, ingénieusement disposés et serrés fermement l'un contre l'autre, bord à bord, de manière à former le ressort le plus fort, le plus flexible, le plus élastique et le plus résistant qui ait jamais été employé. La merveilleuse flexibilité de la jupe elliptique et l'agrément qu'elle offre aux dames, se révèlent surtout dans les assemblées en foule, dans les loges de théâtre, en voiture, dans les wagons de chemins de fer, dans les bancs d'église, dans les fauteuils, à la promenade et à la maison, la jupe pouvant se replier de manière à occuper une place aussi facilement qu'une robe de soie ou de mousseline. Pour les enfants, les fillettes et les jeunes demoiselles, elle est sans rivale. C'est la jupe-malakoff la plus légère, la plus convenable, la plus confortable et la plus économique qui ait jamais été imaginée.

En vente dans tous les magasins de première classe où se vendent des Jupes Malakoff de premier ordre, dans les Etats-Unis entiers, et ailleurs EN GROS par les seuls propriétaires du brevet et les uniques fabricants.

WESTS, BRADLEY & CAREY.

Entrepôt et Bureaux, 97, Chambers Street, et 79 à Read Street,

NEW YORK.

Opinions de la presse.

"Cette jupe est réellement ce qu'il y a de mieux; elle se prête à toute espèce de pression et se double sans se détourner le moins du monde."—Godey's Lady's Book.

"L'Elliptique-Duplex" est à plus grande amélioration qui ait encore été faite dans les Jupes-Malakoff."—Daily Times, de New-York.

"Elles sont sans égales sous le rapport de l'élégance, de l'aménité, de la durée, du confort ou de l'économie."—Daily Herald, de New-York.

"L'Elliptique-Duplex est accepté comme le dernier degré de perfection dans les jupes."—New York Evening Post.

"Elle donne à la toilette la plus ordinaire un cachet qui la rend gracieuse."—London Post.

P. S. Les acheteurs des Jupes-Duplex doivent le examiner pour être sûrs d'avoir le véritable article, le seul qui ait à chaque tige un ressort double. Demandez la Jupe elliptique Duplex de M. J. M. Bradley, qui porte sa marque commerciale en rouge, à la ceinture.

The Great Clairvoyant, MADAME LA BLANCH.
THE GREATEST Natural Clairvoyant and Spirit Visionist that has ever existed within the memory of man. No one should neglect to test Madame La Blanch's power. To see the Past, the Present and the Future are at a glimpse of life itself. Our citizens and the public should bear in mind that Madame La Blanch is the only living person and distinguished FEMALE ASTROLOGIST in the known world. Horoscopes or Charts of Life can only be accurately calculated through the agency of Astrology, etc. Astrology.
All who have been the victims of unprincipled pretenders and impostors, should call on Madame La Blanch. She has gained an enviable reputation as an Astrologist and Clairvoyant, which has induced many disciples of humbug to style themselves clairvoyants and imitators of Astrology, though ignorant of the science they attempt to grasp. Each and every one are invited to call and test the powers of this highly gifted prophetess.
N. B.—Horoscopes or Charts of Life prepared in writing, by simply knowing date of birth. Medicines sent to all parts of the country. All letters promptly answered. Consultation given in French and English. Terms for Ladies and Gentlemen, moderate, to suit the times. Madame La Blanch's residence and office, No. 103 Bienville street, between Bourbon and Dauphine streets, two squares below Canal street.
