

include/eli/geom/utility  
/bezier.hpp

```
graph TD; A["include/eli/geom/utility/bezier.hpp"] --> B["eli/mutil/dm/binomial_coefficient.hpp"]; A --> C["eli/code_eli.hpp"]; B --> C;
```

The diagram illustrates the dependencies of three header files. At the top is a grey box containing the file path 'include/eli/geom/utility/bezier.hpp'. In the middle is a white box with a black border containing 'eli/mutil/dm/binomial\_coefficient.hpp'. At the bottom is a light grey box containing 'eli/code\_eli.hpp'. Three blue arrows indicate the dependencies: one from the top box to the middle box, one from the top box to the bottom box, and one from the middle box to the bottom box.

eli/mutil/dm/binomial  
\_coefficient.hpp

eli/code\_eli.hpp
