

eli::mutil::poly::polynomial::f

```
graph LR; A[eli::mutil::poly::polynomial::f] --> B[eli::mutil::poly::polynomial::size];
```

The diagram illustrates a function call. On the left, a gray rectangular box contains the text 'eli::mutil::poly::polynomial::f'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'eli::mutil::poly::polynomial' on the top line and '::size' on the bottom line.

eli::mutil::poly::polynomial  
::size
