

eli::geom::surface
::piecewise::split_v

```
graph LR; A["eli::geom::surface  
::piecewise::split_v"] --> B["eli::geom::surface  
::piecewise::resize_store"]
```

A diagram showing a call to the `split_v` function in the `eli::geom::surface::piecewise` namespace. A blue arrow points from this call to another call to the `resize_store` function in the same namespace.
