

eli::geom::surface
::bezier::translate

```
graph LR; A["eli::geom::surface::bezier::translate"] --> B["eli::geom::surface::bezier::degree_u"]; A --> C["eli::geom::surface::bezier::degree_v"]
```

The diagram illustrates a function call. A gray box on the left contains the text 'eli::geom::surface::bezier::translate'. Two blue arrows originate from the right side of this box. The top arrow points to a white box containing 'eli::geom::surface::bezier::degree_u'. The bottom arrow points to a white box containing 'eli::geom::surface::bezier::degree_v'.
