

eli::mutil::poly::polynomial
::set_roots

```
graph LR; A["eli::mutil::poly::polynomial  
::set_roots"] --> B["eli::mutil::poly::polynomial  
::set_coefficients"]
```

A diagram showing a call to the `set_roots` method of the `eli::mutil::poly::polynomial` class. A blue arrow points from the `set_roots` method to the `set_coefficients` method of the same class, indicating a sequence of operations or a dependency.
