

minimum_distance_line
_test_suite::point_2d_test

```
graph LR; A["minimum_distance_line_test_suite::point_2d_test"] --> B["eli::geom::intersect<br>::minimum_distance"]; A --> C["eli::util::tolerance<br>::approximately_equal"]
```

The diagram illustrates a dependency relationship. A central box on the left, labeled 'minimum_distance_line_test_suite::point_2d_test', has two arrows pointing to the right. The top arrow points to a box containing 'eli::geom::intersect' and '::minimum_distance'. The bottom arrow points to a box containing 'eli::util::tolerance' and '::approximately_equal'.

eli::geom::intersect
::minimum_distance

eli::util::tolerance
::approximately_equal
