

minimum_distance_surface
_test_suite::point_smooth_test

```
graph LR; A["minimum_distance_surface  
_test_suite::point_smooth_test"] --> B["eli::geom::intersect  
::minimum_distance"]; A --> C["eli::geom::point::distance"]
```

The diagram consists of three rectangular boxes. The leftmost box is shaded gray and contains the text 'minimum_distance_surface' followed by '_test_suite::point_smooth_test' on a new line. Two blue arrows originate from the right side of this box. The top arrow points to the top-right box, and the bottom arrow points to the bottom-right box. Both target boxes are white with black borders. The top-right box contains the text 'eli::geom::intersect' followed by '::minimum_distance' on a new line. The bottom-right box contains the text 'eli::geom::point::distance'.

eli::geom::intersect
