3270 Information Display System

Library User's Guide

GA23-0058-6

Seventh Edition (April 1985)

This *Library User's Guide* lists publications for current IBM 3270 Information Display System products. This edition supersedes GA23-0058-5, adding publications for the IBM 3270 Personal Computer/G and /GX Graphics Work Stations and the 4214 Printer Model 1.

References in this publication to IBM products, programs, or services do not imply that IBM intends to make these available in all countries in which IBM operates. Any reference to an IBM program product in this publication is not intended to state or imply that only IBM's program product may be used. Any functionally equivalent program may be used instead.

Publications are not stocked at the address given below. Requests for IBM publications should be made to your IBM representative or to the IBM branch office serving your locality.

A form for readers' comments is provided at the back of this publication. If the form has been removed, address comments to IBM Corporation, Department 52Q, Neighborhood Road, Kingston, N.Y., U.S.A. 12401. IBM may use or distribute whatever information you supply in any way it believes appropriate without incurring any obligation to you.
