Maize Mucuna

<http://del.icio.us/entrailer/Maize-Mucuna>

Notice the Doc Thurston cross-link. His are the best images of the system.

Sustainable Harvest

Here is another group working in your area, in both senses:

<http://www.flickr.com/people/sustainableharvest/>

this is how I came across them:

<http://www.flickr.com/search/?q=intercropping>

a keyword search for "intercropping"
