READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number and name in the spaces provided on the carbonised sheets.

The number of marks is given in brackets [] at the end of each question or part question.

This document consists of **3** printed pages and **1** blank page.

1 Planning Session (1 hour and 15 minutes)

- (a) You are provided with the pattern of pants/trousers, Butterick 4077, View B, which has front and back darts, inset and cargo pockets (a type of patch pocket with flaps), a faced waistline and a zip. You may shorten the legs to calf length if you wish.
- (b) Make up the pants/trousers in a fabric of your choice. Using the carbonised sheets to make a duplicate copy, write out a shopping list of the requirements for completing the pants/trousers, giving an alternative for fabric, width and colour.
- (c) State **four** reasons for your **first** choice of fabric.
- (d) Please state your pattern size on the shopping list. The pattern should be divided for use in the Preparation Session.
- (e) Hand in the carbon copy of the shopping list, the pattern and the question paper to the Supervisor.

[Total: 8]**2 Preparation Session** (2 hours)

The pattern and requirements for the test will be handed to you by the Supervisor. Carry out the following work:

- (a) (i) Adjust the pattern in any way you think necessary to achieve a good fit.
(ii) If there are no alterations answer the following question: How would you alter the pattern to extend it to the natural waistline?
- (b) Plan the layout for the pants/trousers and cut out the pieces you require, including lining and the interfacing.
- (c) Mark the necessary fitting lines and balance points.
- (d) Assemble the pants/trousers for a fitting.
- (e) Any remaining time may be used to prepare the patch or cargo pocket and facings with interfacing.

Note You are to complete the preparation of the pocket and facings (tacking/basting only) after the Preparation Session in readiness for use in the Examination Session.

[Total: 8]
