

2011 Community Enablement Roadmap – BT/IT and IBM Account

High level process and supporting tools landscape journey resulting in a change to our developers desktop

IBM Account Metrics – Dec 2011 – User subscriptions by tool

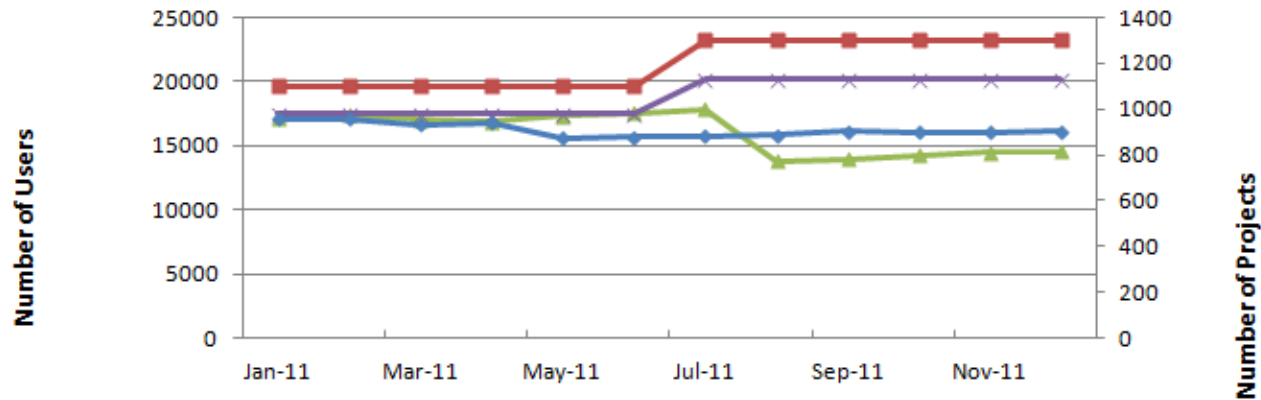

Rational Tool	User count
ClearQuest	8080
ReqPro	2778
ClearCase	684
Rational Team Concert	14534 *
Rational Quality Manager	3718
Rational Insight	281
Total	30075

•Rational Team Concert User count reflects the UNIQUE users across all RTC servers

IBM Account Metrics – Dec 2011 – RTC Production
