## Infoprint Manager Print-on-Demand Feature Readme

Each Infoprint® Manager Print-on-Demand Feature CD-ROM starts its own installation program when it is inserted into a CD-ROM drive.

The Infoprint Manager Print-on-Demand Feature contains these CD-ROMs:

- Disk 1 contains:
  - Personalized Print Markup Language (PPML) transform
  - Infoprint Manager Server (Basic)
  - Infoprint Manager Submit Express client for Windows  
For information about Submit Express, refer to the *Infoprint Manager Print-on-Demand Feature: Submit Express User's Guide* which is located on the *Infoprint Manager Publications* CD-ROM, SK2T-9346-03.
  - Infoprint Job Ticketer  
For information about Infoprint Job Ticketer, refer to the *Infoprint Job Ticketer: Administrator's Guide* and the *Infoprint Job Ticketer: User's Guide*, which are located on the *Infoprint Manager Publications* CD-ROM, SK2T-9346-03.
  - Halftone Management System  
For information about the Halftone Management System, refer to the appropriate Infoprint Manager Procedures manual for your operating system, that is, *Infoprint Manager for AIX: Procedures* or *Infoprint Manager for Windows: Procedures*, which are located on the *Infoprint Manager Publications* CD-ROM, SK2T-9346-03.
- Disk 2 contains the Infoprint Manager Submit Express client for Macintosh.  
For information about Submit Express, refer to the *Infoprint Manager Print-on-Demand Feature: Submit Express User's Guide* which is located on the *Infoprint Manager Publications* CD-ROM, SK2T-9346-03.

**Note:** All of the Infoprint Manager publications are available as PDF files on the *Infoprint Manager Publications* CD-ROM, SK2T-9346-03, that is shipped with your base Infoprint Manager server CD-ROMs. You may also access the Infoprint Manager Publications online from the Printing System home page at <http://www.ibm.com/printers>.

## Notices

This information was developed for products and services offered in the U.S.A.

IBM® may not offer the products, services, or features discussed in this document in other countries. Consult your local IBM representative for information on the products and services currently available in your area. Any reference to an IBM product, program, or service is not intended to state or imply that only that IBM product, program, or service may be used. Any functionally equivalent product, program, or service that does not infringe any IBM intellectual property rights may be used instead. However, it is the user's responsibility to evaluate and verify the operation of any non-IBM product, program, or service.

IBM may have patents or pending patent applications covering subject matter described in this document. The furnishing of this document does not give you any license to these patents. You can send license inquiries, in writing, to:

IBM Director of Licensing  
IBM Corporation  
North Castle Drive  
Armonk, NY 10504-1785 U.S.A.

**The following paragraph does not apply to the United Kingdom or any other country where such provisions are inconsistent with local law:**

INTERNATIONAL BUSINESS MACHINES CORPORATION PROVIDES THIS PUBLICATION "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow disclaimer of express or implied warranties in certain transactions, therefore, this statement may not apply to you.

This information could include technical inaccuracies or typographical errors. Changes are periodically made to the information herein; these changes will be incorporated in new editions of the publication. IBM may make improvements and/or changes in the product(s) described in this publication at any time without notice.

Any references in this information to non-IBM Web sites are provided for convenience only and do not in any manner serve as an endorsement of those Web sites. The materials at those Web sites are not part of the materials for this IBM product and use of those Web sites is at your own risk.

IBM may use or distribute any of the information you supply in any way it believes appropriate without incurring any obligation to you.

For license inquiries regarding double-byte (DBCS) information, contact the IBM Intellectual Property Department in your country or send inquiries, in writing, to:

IBM World Trade Asia Corporation  
Licensing  
2-31 Roppongi 3-chome, Minato-ku  
Tokyo 106, Japan

Licensees of this program who wish to have information about it for the purpose of enabling: (i) the exchange of information between independently created programs and other programs (including this one) and (ii) the mutual use of the information which has been exchanged, should contact:

IBM Corporation  
Department 11PA Building 002S  
PO Box 1900  
Boulder CO 80301 USA

Such information may be available, subject to appropriate terms and conditions, including in some cases, payment of a fee. The licensed program described in this document and all licensed material available for it are provided by IBM under terms of the IBM Customer Agreement, IBM International Program License Agreement or any equivalent agreement between us.

Any performance data contained herein was determined in a controlled environment. Therefore, the results obtained in other operating environments may vary significantly. Some measurements may have been made on development-level systems and there is no guarantee that these measurements will be the same on generally available systems. Furthermore, some measurement may have been estimated through extrapolation. Actual results may vary. Users of this document should verify the applicable data for their specific environment.

Information concerning non-IBM products was obtained from the suppliers of those products, their published announcements or other publicly available sources. IBM has not tested those products and cannot confirm the accuracy of performance, compatibility or any other claims related to non-IBM products. Questions on the capabilities of non-IBM products should be addressed to the suppliers of those products.

If you are viewing this information softcopy, the photographs and color illustrations may not appear.

For online versions of this book, we authorize you to:

- Copy, modify, and print the documentation contained on the media, for use within your enterprise, provided you reproduce the copyright notice, all warning statements, and other required statements on each copy or partial copy.
- Transfer the original unaltered copy of the documentation when you transfer the related IBM product (which may be either machines you own, or programs, if the program's license terms permit a transfer). You must, at the same time, destroy all other copies of the documentation.

You are responsible for payment of any taxes, including personal property taxes, resulting from this authorization.

Your failure to comply with the terms above terminates this authorization. Upon termination, you must destroy your machine readable documentation.
