Note for Site and Network License Customers

Thank you for purchasing IBM® SPSS® Text Analytics for Surveys. To install the product, please refer to the following documents, which you can find in the *Documentation* directory on the installation disk.

If you have a site license, refer to:

■ *Site License Administrators Guide.pdf*. Read this document first. It contains information about distributing the software to the users.

■ *Site License Installation Instructions.pdf*. Read this document for information about installing IBM SPSS Text Analytics for Surveys on the end users' computers. You can also distribute this document to the end users.

If you have a network license, refer to:

■ *Network License Administrators Guide.pdf*. Read this document first. It contains information about setting up the network license manager and distributing the software to the users.

■ *Network License Installation Instructions.pdf*. Read this document for information about installing IBM SPSS Text Analytics for Surveys on the end users' computers. You can also distribute this document to the end users.
