Introductions

- Ed McCarthy
 - Senior Middleware Specialist
 - WebSphere, long time CICS evangelist
 - Based in Canberra
- Em James
 - CICS TOOLS Tech Specialist
 - CICS IA Lead Developer
 - Based in Hursley

Wrap up

- Please fill in your evaluation sheet
- CICS TS V4R1 is alive and well
 - Explorer – you can play with it today!
 - Get serious about Events
- CICS Tools
- CICS Explorer GUIs
 - **CICS Tools**
 - PD Tools
 - More to come
- How can I (IBM) help?
 - Incentives?
 - We're here for the rest of the week
- Questions?
- Thanks to all, presenters, attendees

Thank
YOU
