Insight 2015

The Premier Data and Analytics Conference

October 25 – 29   Mandalay Bay | Las Vegas

IBM

Driving better, faster insights

Insight 2015 is the premier data and analytics conference. It provides **$7,000 worth of value** in big data and analytics training, certification, hands-on labs, networking, executive one-on-one meetings, expert talks, and food and entertainment—all for the low cost of registration. **Register before August 3rd and save $700!**

Get even smarter

Enjoy access to hundreds of experts, distinguished engineers, and **500+ IBM client and Business Partner speakers** who will share their best practices, insights and secrets.

Gain a year's worth of professional education

Through keynotes, **1,600+ sessions, 120+ labs, hundreds of certification opportunities** and more, explore the latest innovations, industry breakthroughs and hottest trends in data and analytics.

Build a competitive advantage

Leverage your data to **gain immediate value and competitive insights** into your customers. Learn how to capitalize on all available data, at rest or in motion, with analytics.

Extend your social network

14,000+ attendees from around the world = **14,000+ networking opportunities!** Meet, mix and mingle with industry experts, peers and IBM thought leaders at sessions, receptions, luncheons, the social lounge and the Solution EXPO.

Experience solutions in the largest IBM EXPO

Featuring **350+ exhibitors and 250+ Business Partners** showcasing how they can help you gain deeper insight from your data, you've never seen an EXPO quite like this.
