

## Scheduled 2013 Classes for IMS

| Start Date                     | End Date | Course Number | Course Name                        | Location |
|--------------------------------|----------|---------------|------------------------------------|----------|
| <b>January - March 2013</b>    |          |               |                                    |          |
| 01.31.13                       | 02.07.13 | CMW21         | TM Performance and Tuning          | Web      |
| 02.13.13                       | 02.20.13 | CMW12         | System Programming DBCTL           | Web      |
| 02.27.13                       | 03.06.13 | CMW01         | IMS Fundamentals                   | Web      |
| 03.11.13                       | 03.21.13 | CMW64         | FastPath                           | Web      |
| 03.12.13                       | 03.13.13 | CMW46         | HALDB                              | Web      |
| 03.19.13                       | 03.28.13 | CMW22         | Physical Organization of Databases | Web      |
| <b>April – June 2013</b>       |          |               |                                    |          |
| 04.01.13                       | 04.05.13 | CMW61         | Shared Queues                      | Web      |
| 04.08.13                       | 04.19.13 | CMW20         | DBRC                               | Web      |
| 04.23.13                       | 04.25.13 | U3759         | IMS Installation                   | SVL      |
| 04.29.13                       | 05.06.13 | CMW50         | Data Sharing                       | Web      |
| 05.07.13                       | 05.08.13 | CMW35         | Operating Your IMS Environment     | Web      |
| 05.13.13                       | 05.15.13 | U3717         | IMS DB Application Programming     | SVL      |
| 05.16.13                       | 05.17.13 | U3718         | IMS TM Application Programming     | SVL      |
| 06.04.13                       | 06.13.13 | CMW43         | IMS Security                       | Web      |
| 06.06.13                       | 06.13.13 | CMW21         | TM Performance and Tuning          | Web      |
| 06.17.13                       | 06.28.13 | CMW30         | DB Performance and Tuning          | Web      |
| <b>September 2013</b>          |          |               |                                    |          |
| 09.04.13                       | 09.11.13 | CMW01         | IMS Fundamentals                   | Web      |
| 09.18.13                       | 09.27.13 | CMW22         | Physical Organization of Databases | Web      |
| 09.30.13                       | 10.11.13 | CMW20         | DBRC                               | Web      |
| <b>October – November 2013</b> |          |               |                                    |          |
| 10.08.13                       | 10.09.13 | CMW46         | HALDB                              | Web      |
| 10.14.13                       | 10.16.13 | U3717         | IMS DB Application Programming     | SVL      |
| 10.17.13                       | 10.18.13 | U3718         | IMS TM Application Programming     | SVL      |
| 10.21.13                       | 11.01.13 | CMW30         | DB Performance and Tuning          | Web      |
| 10.22.13                       | 10.24.13 | U3759         | IMS Installation                   | SVL      |
| 11.12.13                       | 11.19.13 | CMW21         | TM Performance and Tuning          | Web      |
| 11.18.13                       | 11.21.13 | CMW44         | IMS Database Repair                | Web      |
