

SESSION ABSTRACT

E47 A DBA's View of IMS Online Recovery Service

Rick Long

This session provides the IMS DBA with a practical view of IMS Online Recovery Service. The information in this session assumes that the attendee has a basic understanding of IMS Online Recovery Service. It covers how to use IMS Online Recovery Service in their installation. It also provides practical advise on using the features of IMS Online Recovery Service. A helpful prerequisite for this session is E46, IMS Online Recovery Service.
