The easiest way to save

IBM Global Financing continues to set the standard for affordable midmarket IT financing with flexible payment plans and attractive rates on a wide range of IBM products and services, including IBM Cognos Express. Now it's easy to get these great rates on the IBM products you need, with fast approval processes, a clear and concise contract, and a single periodic payment.

And today financing from IBM Global Financing gives you more qualifying IBM products and a low minimum transaction size. Now there are more reasons than ever to start saving on the IT solutions you need.

With minimum transaction sizes as low as \$5,000², a financing option is within reach of midmarket clients. Midsized companies can finance IT acquisitions at competitive rates.

Financing from IBM Global Financing provides new solutions to meet your financing challenges:

- Tailored capital solutions to help companies of all sizes manage cash flow and assets
- Custom structuring to better align expected payments and expenditures to anticipated solution benefits and improve ROI payback
- Deal structuring competencies that are closely tied to CFO or Treasurer requirements
- Flexible payment plans, fast approvals and a single periodic payment for hardware, software and services.

IBM Financing Advantage for IBM Cognos Express is a smarter way to get the IT solutions your organization needs.

¹ \$25/user/month based on a minimum of \$22,500 USD for 25 users financed over 36 months. Actual rates may vary based on your creditworthiness, configuration details, etc. and are subject to credit approval by IBM Credit LLC. For some clients, total software and services is limited to 75% of hardware financed. Other conditions may apply, so please contact your IBM Authorized Business Partner or IBM representative for more information. Actual costs will vary depending on individual customer configurations and environment.

² IBM Global Financing offerings are provided through IBM Credit LLC in the United States and other IBM subsidiaries and divisions worldwide to qualified commercial and government clients. Rates are based on a client's credit rating, financing terms, offering type, equipment type and options, and may vary by country. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice.
