

# SHOWCASE your success, SHARE your story, JOIN the IBM Cognos Performance Leaders Program

"Since becoming an IBM Cognos Performance Leader, we've had greater exposure and visibility within IBM. We've been able to share knowledge with them about our story and gain insight into where IBM is taking its product. This allows us to work together like a marriage."

Chad Erman Business Intelligence Lead Southwestern Energy Company Inc. Be a technology visionary and join industry leaders such as Manpower, Southwestern Energy, Quiznos, and University of North Texas. These firms have gained valuable recognition for their leadership using IBM Cognos software solutions for business intelligence and performance management.

# What's your story?

Maybe you've thrown spreadsheets out the window in favor of total performance management? Or maybe you've taken business intelligence on the road with IBM Cognos Go! Mobile? Other customers have shared their stories on how they use Cognos solutions to:

- Draw business insights from different ERP's
- · Manage their workforce, supply chain, or sales and marketing performance
- Gain a head start with IBM Cognos Performance Blueprints
- · Lead their industry through increased revenue or contained costs
- Ensure successful deployments through broad user adoption

Share your success story through the IBM Cognos Performance Leaders Program and tell your story your way.
