Installation

Detailed Installer instructions

- **Run the installer**

- Double-click on the newly downloaded file:

- **Select your language (if prompted)**

- **Read and accept the license to proceed**

- **Choose an installation location**

- **Finish installation**

Installation

After installing...

- **Starting the LRW**

- Select the LRW from your Start/Programs menu:

- Or double-click the shortcut on your desktop:

- **Selecting an appropriate workspace**

- You will be prompted to select your workspace.
- The workspace is where the resources you create with the LRW are stored.
- The default path will create a new workspace at the specified location.
- You can change this value as appropriate, if you have an existing workspace, or if you prefer to create a new workspace at a different location.

Note: If you are opening the LRW for the first time, you will need to close the Welcome screen before getting started.
