

Module#	Topic	Agenda	Delivery Mode	Schedule	Time Slot
1	Introduction – Overview of WXS	Give an basic overview of WXS	Presentation	Day# 1	9 AM – 10 AM
2	Install and configure WebSphere eXtreme Scale application in single server as stand alone installation				
		Installing WebSphere eXtreme Scale in a stand-alone environment	Hands on Lab	Day# 1	10 AM – 1 PM Including Break
		Deploying the getting started application	Hands on Lab	Day# 1	
		WebSphere eXtreme Scale Clients	Hands on Lab	Day# 1	
		Using the Eclipse environment with WebSphere eXtreme Scale	Hands on Lab	Day# 1	
		Monitoring WebSphere eXtreme Scale Grid with xsAdmin	Hands on Lab	Day# 1	
3	Install and configure WebSphere eXtreme Scale Topology in Network deployment and on a single server				
		Understand the prerequisites and operating environment for WebSphere eXtreme Scale in managed WebSphere environment.	Presentation	Day# 1	2 PM – 3 PM
		Integrate WebSphere eXtreme Scale with WebSphere Application server	Hands on Lab	Day# 1	3 PM – 6 PM
		Start the WebSphere Application Server Network Deployment Environment	Hands on Lab	Day# 1	
		Configure the WebSphere Application Server environment with WebSphere eXtreme Scale	Hands on Lab	Day# 1	
		Perform a sample test to verify	Hands on Lab	Day # 2	9 AM – 11 AM
		Monitoring performance with WebSphere application server PMI	Hands on Lab	Day # 2	
		Using xsAdmin with WebSphere application server	Hands on Lab	Day # 2	
4	Introduction to WebSphere eXtreme Scale development	Introduction	Presentation		
		Creating a simple WebSphere eXtreme Scale Application	Hands on Lab	Day # 2	"11:30 AM – 3:30 PM Including Lunch"

Module#	Topic	Agenda	Delivery Mode	Schedule	Time Slot
		Understanding an application that uses WebSphere eXtreme Scale	Hands on Lab	Day # 2	
5	WebSphere eXtreme Scale as an in-line database buffer				
		Introduction	Self Study	Day # 2	4 PM – 6 PM
		Lab	Hands on Lab	Day # 2	
		Lab Continued	Hands on Lab	Day # 3	9 AM – 1 PM
6	Demonstrate HTTP Session Persistence using ObjectGrid	Introduction	Presentation		
		Install the sample application	Hands on Lab	Day # 3	2 PM – 5 PM
		Set up catalog server	Hands on Lab	Day # 3	
		Update the Application Servlet to use WebSphere eXtreme Scale to persist session data	Hands on Lab	Day # 3	
		Using Tivoli PMI Viewer to show eXtreme Scale grid usage to persist session data	Hands on Lab	Day # 3	
8	OGQL				
		Introducing Object Grid Query Language	Presentation	Day # 3	5 PM – 6 PM
		Translating SQL to OGQL examples	Presentation	Day # 3
