

# **IBM International Passport Advantage Agreement Attachment for Academic Volume Option**

---

*The terms of this Attachment for Academic Volume Option ("Attachment") modify or are in addition to those of the IBM International Passport Advantage Agreement ("the Agreement").*

For transactions in which IBM Australia Limited is providing the Eligible Products, "IBM" means IBM Australia Limited A.B.N. 79 000 024 733.

Customer accepts the terms of this Attachment without modification by indicating Customer is enrolling under the Academic Volume Option when Customer submits an IBM International Passport Advantage Enrollment Form to IBM or Customer's reseller, as applicable.

Capitalized terms used but not defined in this Attachment have the meaning given to them in the Agreement.

To participate in the Academic Volume Option under the Agreement, Customer must be an Accredited Education Institution.

An Accredited Education Institution is defined as a public or privately funded body, non-profit making, and not owned by a commercial organization. The institution may take the form of

1. a university or college offering education leading to nationally recognized qualifications or levels of academic achievement, accredited by a regional or national accrediting council or commission or appropriate government agency or board of education of the state or country in which the educational institution is located,
2. a teaching hospital associated with an accredited institution,
3. a research institution, or consortia comprised of accredited institutions, or
4. a primary, elementary or secondary level school, either publicly or privately funded, where education is the principal objective leading to nationally recognized qualifications or levels of academic achievement, accredited to deliver education by national or regional councils or agencies.

Eligible Products must be used for academic or administrative purposes of the educational institution.

Eligible Products may not be used in the performance of commercial services for any third party.

Under this Attachment, Customer receives special pricing due to Customer's status as an Accredited Education Institution and, therefore, other pricing and discounting mechanisms and procedures do not apply.

Section 1.8 - Relationship SVP Level of the Agreement does not apply under this Attachment.
