

IBM Program usage and installation report instructions

SPSS Statistics Help Guide

Please see below the additional help in collecting deployment information for your IBM Software. (You may need to zoom in to more easily view the screenshots.)

1.a.v. Capture a screenshot of Authorization codes created and include the full name of the product when submitting the screenshot

The screenshot displays the IBM SPSS License Key Center interface. The main heading is "IBM® SPSS® License Key Center". On the left, there is a navigation menu with sections: Licensing (My Authorization Codes, View Codes by Host), My Orders (View Order History, Recent Emails), Accounts and Members (Account Members, Join Customer Account), Preferences (My Profile, Change Password, Email Preferences), Getting Help (Licensing Guides, FAQs, SPSS Support), Language (中文 (Chinese), Français (French), Español (Spanish), Deutsch (German), 日本語 (Japanese)), and Logout.

The main content area is titled "View Authorization Codes". It contains the following text: "Below is a listing of all the authorization codes that have been previously generated for the product you selected. You may download all the authorization codes to a CSV file, view all the authorization codes on a printable page, or click an authorization code below to get further details on that particular code. Please note:"

- Quantity indicates the number of allowable installations on that authorization code.
- Created On indicates the date the authorization code was generated.
- Last Activation indicates the date of the last client installation that used that authorization code.

Below the text, there is a button labeled "Download all authorization codes" and a dropdown menu set to "as a CSV file". A link "Print all authorization codes." is also present.

Authorization Code	Quantity	Created On	Last Activation
f719cfb8150a96ebb72	1	December 13, 2010	January 9, 2011 1:58:13 PM
d826545ed1b0d0c926f6	2	April 1, 2011	April 19, 2011 3:07:45 PM

Navigation: << < 1 to 2 of 2 >> Entries per page: 25

2. Please provide a screenshot of the Sentinel License Manager: See Sample screen shot on next page
