

Low rate financing from IBM Global Financing

Get more for your IT dollar, with rates as low as 3.5%* for hardware (including Retail Store Solutions), 2.9%* for software, on transactions as low as \$25,000.

Combining flexible payment plans, below-market rates, and the widest-ever range of IBM products and services, Low Rate Financing makes complete IT solutions incredibly affordable for businesses like yours. The approval process is fast, the contract is clear and concise, and a single periodic payment can cover hardware, software and services.

Now, with more qualifying products and a lower minimum transaction size, there are even more reasons to start saving on the IT solutions you need!
