Assignment of your agreement (s) with ILOG

Dear Partner of ILOG,

On December 29, 2008, IBM completed the acquisition of ILOG, a leading provider of powerful easy-to-use tools for business rules, optimization, visualization and supply chain management.

We are pleased to report that the integration of ILOG continues to progress on schedule and would like to take this opportunity to inform you that on **July 1, 2009**, we will finalize an important milestone in the integration known as “**Transfer of Business.**” On that date, amongst other things, we will consolidate all transaction fulfillment activity into the local IBM companies. Also on or about that date, your contract (s) with ILOG will be assigned in their entirety to the IBM company that does business in your country, by the local ILOG entity. Further details of the legal entities affected by such assignment are set out in the Appendix to this letter.

Please visit the www.ILOG.com via <http://www.ilog.com/transferofbusiness/partners.cfm> for up-to-date information on doing business with IBM. In addition to this letter, you will also find posted a document entitled, “Doing Business with IBM,” which provides additional key information to help you transact business with IBM. Both English and translated versions of these documents will be available on the website.

Please provide this packet of information to the appropriate individual(s) in your company who are also engaged with ILOG.

We would like to personally thank you for your continued support of ILOG and welcome you to the IBM family. We would also like to assure you that in most cases, the same person with whom you have been working will continue to be your primary interface at IBM. Should you have any questions, please feel free to contact your ILOG representative directly.

We look forward to continuing our business relationship with you through IBM and helping you meet the needs of your business.

Yours sincerely,

Jim Koerner
Vice President, IBM Software Group
Central Eastern Europe, Middle East, Africa

Harley Davis
European Sales Director
