

# SPONSORSHIP AND EXHIBIT OPPORTUNITIES

Dear IBM Business Partner,

We are pleased to invite you to exhibit at Impact 2008 in Las Vegas, April 6 -11, 2008 at the MGM Grand. More than 6,000 IBM Customers and Business Partners are expected to join us in accelerating the pace for innovation. This annual conference on Service Oriented Architecture (SOA) offers an ideal venue for:

- Unparalleled technical education about SOA and IBM thought leadership
- Networking with key customers
- Developing sales opportunities

Impact 2008 will put you in touch with the customers and Business Partners you want to reach.

The exhibit floor at Impact 2007 in Orlando sold out very quickly and we expect it to do the same for Impact 2008. Do not miss this GREAT opportunity to network, showcase your solutions, meet key customers, spend time with IBM developers, marketing and sales teams, learn a lot, and have some fun in the process!

We are delighted to offer these exciting Impact 2008 Sponsorships to help you get the most out of your conference experience and get a jumpstart on new 2008 opportunities. We listened to your feedback and made significant changes to the Impact 2008 sponsorships including more exhibit space, enhanced pedestals, improved solution center hours, better customer draws to the Solution Center, Exhibitor-Only Passes, and more!

If you have any questions, please send an e-mail to Linda.Wolfe@experient-inc.com or call 781-251-7717.

I personally look forward to seeing you at Impact 2008! Don't miss this signature SOA business event. Space is limited so reserve your space in the Solution Center early!

Thanks for your continued support. See you in Las Vegas!

John B. Gordon Director of Channels Marketing IBM SOA and WebSphere Software

### The Advantage of Impact

If you were among the 500 Business Partners who attended Impact 2007 you know what an exciting event this is. In its first year, the conference drew more than 4,000 attendees and featured more than 500 sessions – both technical education and business leadership tracks. There were over 100 customer and Business Partner speakers, more than 1,000 complimentary certification exams and more than 40 Birds of a Feather sessions. At the hub of the networking activities was our SOLD OUT Solution center, featuring over 40 Business Partner Sponsors and more than 30 IBM demos. With over 200 press articles within 48 hours, 30 Business Partner press releases, including 100 analysts attending the event, this year's event was a great success! Impact 2008 promises to be even greater with expected attendance to reach 6,000.
