Måste man samarbeta?

Är det  
svårt?

A dark, atmospheric photograph of an industrial interior, likely a steel mill or foundry. On the right, a massive furnace or blast furnace is visible, with intense orange and yellow flames erupting from its base. To the left, several tall, cylindrical vertical pipes stand in a row, illuminated from within by a bright light. The floor is dark and appears to be made of concrete. The overall lighting is low, creating a dramatic contrast between the fire and the shadows.

A photograph of the Aurora Borealis (Northern Lights) over a snowy landscape. The sky is filled with vibrant green and yellow aurora curtains. In the foreground, there's a snow-covered ground with several small, dark evergreen trees. In the distance, a few buildings are visible with warm lights coming from their windows.
