Professor Troughin visits Philadelphia with a view of making an organoment in that city as teacher of the English. French and Spanish languages, as the potronage here in those studies is found hardly sufficient to give him a suitable salery. Previous to our inviting Mr. Tronchin to this

Besides these recom-mendations, Mr. Tropelis produced to our Board of Trustees, the most estisfactory testithese facts to give you a knowledge of the testi-mony we had of Mr. Trunchin's qualifications before we invited him to our institution: and I can therefully add, that the success of those pupils of our seminary who have been under his instruction, has chirely justified the high opin-ion of those who knew him best in New York. I regret very much to part with him from our stitution; but from the owner I have mentioned it is likely he may embrace some other situation His manners as you will perceive, are those of a gentleman, and dignified; and I feel much esteem for his character every way. His knowledge of the English language is uncommonly good, and he would be shie to make himself useful in almost thy school. I shall be pleased if you introduce him to my friend Doctor De Lancey; and perhaps if yo make him-acquainted with Mr. Iphuson, of the High school, it may promote his interest.
