NORPOLE, Oct. 20.
The Steamer Albarrows Out of Coal.—
The steamer Albarrows, from Charleston for Philad iphis, put in here prestrays for coal.—
The eucountered a savere gale on Saturday. saces we are requested to mention takes place this day by Morphy & Nevais at 18 a'clock A. M. at No.

Sends, Boots and Proce.—We call the attention of city and country Trade to the sale of tity Goods, damaged Frence Goods, and Offices Boots and Shore which will take place Tillir DAY, at 10 sicket, A. M., at J. B. Bache & Go's Aucusa will be a supplementation of the Control of The above were brought by 30 vessels, not in-

The day of contest is near at hand; and as survey the field and look at the position and the resources of the two parties, and at the pith and valor of their leaders, we are prepared for

zed than they are at present. They are both venting desertion and dispelling spathy. Mon-day next will witness as gallant an effort as has

nominated their strongest men. This is more tor qualification will tell in an election, when pitted against comparative incompetency. Our Senatorial ticket is a powerful one—so powerful, that its auccess is almost conceded by the Democrats. It is a ticket that will call forth the great Whig party in mass, and hundreds who rarely exercise the privilege of suffrage-wid not fail to record their votes for Kobb and BENJAMIN. This alone will ensure an increased city, our nominees for Representatives are mer ceptions on both sides—but there is no doubt the Whig candidates will compare favorably with those of the opposite party. In the First njure Louis St. Martin. We indulge a well bunded hope that the District, for the first time, will send a Whig to Congress.

The whig party derive a powerful aupport rom their platform—which is bold, eminently

appointed, if on Monday next, the whige of New Orleans do not elect both their Candidates for the Senate, a large majority of the Legislative ticket, and send Hagan into Pia-quemine and St. Bernard, with a vote which those parishes will not be likely to overcome, We say nothing of the Congressional contest

RIONY is the formal nominee of the Locofoco-party, and Mr. FREET is running as an Inde-pendent candidate, they stand in a somewhat similar relation to each other and for these reasons: Mr. Mariony will obtain a majority of Democratic votes; Mr. Frentr will be heart-ily supported by the mass of the White party, Mr. Whige below Canal street; Mr. FREEET is certain of many Democratic votes above Canal street. The Sheriflairy is the high prize in the coming election, and both parwill it go? Mr. FREED is the more popular as a man; Mr. Manioxy the more admit as a politician. The one has hosts of arder; and atticked friends who would walk through fire to the coverage proposed on to out and carve of the most skilled and sharp electronecters that of the most experience of the most skilled and sharp electronecters that our cut can be said. The interest elected by ther commands the services this election is almost unparalleled; and in

ANOTHER OCEAN STRAMSHIP ENTERPRIZE—
We learn, says the New York Herald, that the people of Saint John's, Newfoundland, are moving in the matter of establishing ocean steam navigation between that city and Great Britain, and the American continent. A moeting was held there on the 19th of September last, at which a committee was appointed to for.

ward the enterprise. The Saint John's people do not insist upon their city being the terminus of the line; all they wish is, that is shall be a port of call for steamships. For this, the enterprising parties who may construct a line of steamships will derive, it is said, an income of from twelve to fifteen thousand dollars a year, and also be entitled in a home of the line; all they wish is a that one complained of will compedit prise to consider nothing but her own linears to relations with the Turkish empire.

To this All Pachs, Torkish Miloster for Foreign Affairs, replied, on August 18, in a firm Actiain, and the state of the s

The Jacksonville, Fla., News of the 18th instant, says that the testimony in the case of the libels against the Pampero, was taken charge of his own gun. He was returning from the U. S. District Court, and that the final Washnurvie in ha buggy, in which he carried hearing in the case is postponed until the first of the plan aton, where he was found dead, his lorse having ran to the gate of his maneion.

Norpole, Oct. 2019.

The STERMER ALESTROND OF COAST.

Call, Esq., for Government. Immigration at New York.—Maring the week ending on the 20th inst., the following immigrants from Europe arrived at New York:
Where from. Total. Where from. Total. migrants from Europe artised at New Where from.

Total.

Liverpool, Limerick, 642 London, Cork. 2269 Havre, Deblin, 197 Hambergh Sitgo, Genou, 47 Newry, Gottenbarg, 22 Norway,

By the steamship Lowisiana, we have advices from Texas to the 24th ult. They are nearly destitute of finterest. We copy the following from the Galveston News:

Major G. R. Paul, of the U. S. Army, arrived in this city on the Louisana, on his way to resure command of the two companies stationed at Corpos Christi, of the 7th Infantry.

Major J. G. Danhiel, Parmister of the U. S. Army, also arrived by the same steamer, on his way to resume his duties at San Antonio.

We stated, some short time since, that there were some eight or ten emigrant veneral that letters have been received on uncertaint four results for fifteen vessels, some of which sailed from Breuen and Hamberg in August, and some early in September, and may all soon be expected force.

good health.

Parratual Mction.—As incredible as it may appear to many, the secret of the perpetual motion has really been discovered by three young men of our county, by the name of Forer They are now in Washington City, applying for a patent, and they write back that there is no doubt of success. The principle upon which the machinery is propelled, is the pressure of a mospheric air upon a succession of varuamy. They have been offered in Washington, \$50,000 for the patent right for the State of New York.

[Redland Herel., 11th inst.

Telegraphic Items.

NEW YORK, Oct 20. LATE FROM RIO JANEILO-MONTEVIORO AND BUENON AYRES.—The clipper ship Eclipse arrived this morning. She left San Francisco on June 25th, Valparaiso August 10th, and Rio Janeiro Sept. 17th, being 10 days later news from the latter place. The U. S. Steamer Susquehanna having completed her repairs, was to leave in a few days for the Cape of Good Hope and East Indies.

The steamer Golden Gate, for San Francisco, swited on September 11th. The Eclipse crossed the equator in long. 40, in 7 days and 10 hours from Rio, being the shortest trip ever made. She brings Montevidec dates of Sept 5th

deu dates of Sept. 5th.

Flour was duil, and the inhabitants were
looking for an early rising of the seige. It was
represented that Gen. Miguez and Gen Gibbon
have with them the sympathies of the people,
and were joined by the Oriental troops.

The solders of the army formerly besieging
Montevides refused in march under Gen. (the Montevideo refused to merch under Gen. Oribe

but no conflict had taken place.

Letters from Buenos Ayres, to September Lis, state that the markets were unsettled by the reported proceedings of Admiral Glenfelt of the Brazilian forces, who had assumed a hostile at-titude towards Buenos Ayres and turned back all ressels proceeding to Panama. Flour was plentiful, but produce scarce. There was no wood on sale. Freights were dull and shipping

plenty, NEW YORK, Oct. 20th.

Later from South America.—An account from La Platte states that the alites had succeeded in one or two engagements against Rosas, and that Urquiza was moving on towards the capatist of the Banda Oriental. Orthe was also reported to have been deleated no his march to the interior, and was closely followed by the Brazilian loree and a portion of the command under Oaxis.
