Our files from the city of Maxico are to the lith instant, but are unusually scanity in number. We get the Courter Prospets of the latest dates, the Maxico Extraordinary having missed us altogether. It seems evident, even from the exparts statements of the Zuloaga organs, that the Countitutionalists have suffered various reverses, and are completely dishearteesed. Though the city of Vera Cruz is the great point of resistance to the existing government, a large number of villages and places in that department have given in their adhesion. Gen. EXTRUBLIANT has responded favorably to brestures of reconciliation, and will probably yield his support to ZULOAGA.

The Constitutionalists at Talanpingo have been dispersed, and the district is now completely pacified.

seement of the compared to it enters and developed sections in resource lenting form. It has a part, which with brief and that victoriously controlled the care at from its foundation. It the seeds of discord between home mass of that party, and states consolidation, and triumph formul. In the present session assembled before the close of the first the administration of Mr. of the deministration of Mr. of the Demicratic Senators and but was overtaken in a victoriously and the present series of death by Capitain Situars. Nearly a high the present series of the present series of the present series of the present series of the present session as the between them and their the present series of the present series of the present series of the present session. ITALY.—Into a timer same and a te telegram and telegram.—Intelligence from Genoa, of the 2d, gives the result of the trial which look place at Lucca of the Leghorn insurcents. Eight of the prisoners are condemned a death, and eleven to various terms of imprisonment. Pive of the latter are Bardinian risonment. Five of the inter are ossessing abjects.

The ladepredent of Turin publishes an article in which it insists on the necessity of sardina adopting such measures as are necessary to maintain friendly relations with the French government, and, in the course of the remarks, it says: "We strongly oppose the opinion entertained by some persons the opinion of the risonal properties."

Senate.—The Secretary of War transmitted a reply to the recent resolution of the Senate giving information in regard to the Utah con-tracts entered into without special authoriextion of Congress.

Mr. Slidell presented memorials of citizens and of the Chambers of Commerce of New orleans asking the government to aid the Collins steamers; also to sid a line of steamers between New Orleans and Bordeaux.

Mr. Bigler presented similar memorials from Philadelphia.

Mr. Mason, from the Committee on Foreign

Relations, audmitted a bill for the relief of the claimants in the case of the private armed brig General Armstrong, accompaor the special chamor the sp

COMGRESSION AL.

which is a decrease of 12 Met 15s., compared with the previous statement.

Glascow, April 3.—Cotton—We have no change to note in our cotton market this week. The demand has been trifling, and prices are unchanged. Goods and Yars—the business of the week has been comparatively small, but we close with a more general trely small, but we close with a more general trely small, but we close with a more general trely small, but we close with a more general trely small, but we close with a more general trely small, but we close with a more general trely small, but we close with a more general trely small, but we close with a more general individual of the suite to England. The Lorentz of both Goods and Yars—the Boulevard Schattopol on Monday. He was one borseback and rode in front of the secont. His Majesty was loudly cheered, and every thing wont of its perfect tranquillity. The crowd was very great. The government has just placed the Cores, steam advoce book, at the desposal of Marshal Pollasier, to convey him and his suite to England.

The monthly return of the Bank of France will be published next Friday morning.

The monthly return of the Bank of France and the suite to England.

SPAIN.—The Madrid journale of the list was again accoupled with the alleged fusion of the two blacks and rode the Royal family, and more desired to the suite to England.

mands made upon her on the refuges question.

Although the speculators on both sides
steadfastly endeaver to shut their eyes to
these warnings, they cannot either clean
themselves or the public into the reliance
they pretend to entertain. With the daily
increasing sace in the money marks; console
and all other securities ought continuously
to advance, but the tendency is sull toward
depression. Altast date consols were quoted
Fif, and they closed yearday at 96,
and they closed yearday at 96,
institute of the securities there is corresponding inactivity. The security of the security
to the security of the security of the security.

It as cocantonal rise is brought
about there is invariably a relapse in the
course of a few hours.

amair. The Providence Post, giving an account of the circumstances before Mr. Peet's death, said:

Both of them have feit much interest in the revival now progressing here, and recently have allowed religious subjects to so constantly press upon their thoughts as to prevent them from eating or sleeping with much regularity. Within a few days both have smallfatted unmistakable signs of issantly, and Mr. Peck, when not under the indicence enhancedorm, has had to be handcuffed to enhanced the first of the firs

The Shreveport Ausslarn, of the 21st, The Shreveport Austern, of the 21st, says:

The river having recorded within its hanks, a large number of planters above the place are again preparing to plant cotton and corn. We trust they will not soon suffer from another overflow.

VALUABLE INFROVERIENT IN SCEAR-MAKERS.

VALUABLE INFROVERIENT IN SCEAR-MAKERS.

A New Orleans correspondent of the Iberevitle Sunfined and Gassits speaks of an experiment recently tested here in principle and practice, and which is bound to create a perfect revolution in certain of the arts.—for instance, in the manufacture of sugar, sell, add all things that require evaporation in the course of manufacture. Says the writer: add all things that require avaporation in the source of manufacture. Says the writer:

As for angar, I predict that it will lease the cost of the present apparatus at least 75 per cent, and in the amount of feel consumed in equal reduction. This will be good news for wager planters.

This improvement is very simple, but as the patent is not yet obtained, I can set detection. How that I know what it is, I wenter the control of the principle. Franklin, by sailing a boy's triat, discovered the action of cleariestly, and a men is Hew Orleans, by using a cart but both bot, head discovered a new principle is be head, and its application to the manufacture of pager, sait, and all other manufacture of the control of the con

CONGRESSIONAL.

Wammerox, April 28.—The chairmen of the Committee of Ways and Means will shortly introduce a proposition for the next seed of Congress, to meet on the first Massay. The administration probably will soon ask for authority to contract a loss of thirty withings, applicable partly for the redsmip. The friends of the new Kansas measures are magains of its ancoest this week. Doing less, Riewart and Brockerick are actively endeavoring to derbet it.

Hissas.—Hr. Quitman saked leave to introduce a joint resolution for the adminsion of more States into the Union Hr. Eaglish objected.

Hr. Eaglish objected.

Hr. Rairshil moved to lay the report of the Conference Committee on the table, and then asked whether, if prevented, it would not be a formed to the same position she complete before per policulation for administee into the Union of the House Corfered-year, 112; mys. 70.

Reseat.—In the Senate the Paragusy resolution was taken up.

Mallory explained to the Senate that Gen. Lopex was endeavoring to devote the reparation. He thought Paragusy friendly, and her commerce valuable.

NEW YORK, APIL 28.—The new Guaranties for the administration of the House in the province of Paragusy. He never made—we never have asked bin to make reparation. He thought Paragusy friendly, and her commerce valuable.
