

Timeline: CIA Illegal Draft of Bryan Casteel.

CIA PROJECT INFINITY

Tested HIV Vaccine and Optical Camouflage Natural Skin Chameleon & Thermal Night Goggle Lenses without consent. Turned CIA in to Congress-SSCI. I'm Also Gay.

1. Oct 2007: Had been the apartment manager at The Palms Apts in Sacramento, CA (formerly known as The Park at Point West Apts) for two months. In recovery and totally clean. DEA had contract for 40 units there. DEA used a combination of sonar, reflection, physical sight monitoring, and SWAT team assistance in monitoring potential drug trafficking there connected to Craigsist illegal prostitution. DEA contacted me about a CIA program related to employment, medical improvement, and compensation. They knew I had HIV and pre-cancerous cells before I did. I declined any involvement in any job or program. My dog was with me.
2. Oct 2007: Rehab 3 months only because DEA experience caused a relapse, new HIV diagnosis, no meds weak strain, eye glass Rx
3. Oct 2008: 1 yr later NSA symbol on phone after it was stolen for 2 days and recovered at local restaurant; CIA requires 12 months sobriety for employment
4. Oct 2008: Went blind inside apt for a few hours
5. Oct 2008: Next day felt great, better then ever, went to work
6. Jan 2009: Onset of repressed memories and swollen eyes and strange compressed emotion
7. Jan 2009: Quit job downtown LA high rise (no car, took subway), compensation \$75,000 per year + \$2800 per month free luxury apartment bonuses (20 years in this career)
8. Jan 2009: Scrambled message, weird phone calls from 330 area code, fake suicide call I didn't call in right after scrambled message, I bolted went to hotel with pets, left my apt unlocked with everything in it, replayed messages to me from my mother and from AHF sent to my phone that were 4 or 5 months old
9. Jan 2009: Govt operation at local hotel began 3 days later after I arrived at the hotel, I was staying there to try to get out of LA and have a friend come get me from Las Vegas, my room was moved to double-entry room and the ear piece wearing staff including "Sue" that I verified never worked there that monitored me showed up the same period of 3 days later
9. Feb 2009: Lens confirmation, optical camouflage test, staring at sun and HIV immunity test, new identity info determined, education verified, background check by Langley complete, moved to three different rooms, on Intellipedia, instructed to send messages to UCIA in certain fashion on the CIA website, confirmed I could see optically camouflaged planes, flags, and fatigues, classified TTY text transmission from 724 area code, weird phone calls from 770 area code right after HIV immunity test
10. Feb 2009: Met Warren at second hotel, former CIA employee from Mississippi, he was also in Vietnam
11. Mar 2009: Ran out of money, had to go back to my apt downtown, this was two months later and girl I didn't know was in my apt watching TV, my apartment was unlocked, she said they were from the 12th floor and protecting my apt, never saw her again, and had to sell my stuff for food, had my pets with me.
12. Apr 2009: False felony arrest and public humiliation, DNA swab Dept of Justice, all charges dropped like the CIA told me they would be

13. Apr 2009: Near eviction, start sending emails
14. Apr 2009: Hearing different frequencies, bass and stereo eventually as wireless ear implants ramp up for full communications
15. May 2009: Near homelessness, sold phone with NSA symbol on it for food for 50 bucks
16. Jun 2009: AHF first blood sample lost, second blood sample couldn't get a viral read, never been on any meds
17. Jun 2009: "Bridge" to CIA employment was supposed to be new roommate another friend arranged; went on temporary county assistance; was told my score ws 4.25 out of 5.00 on the CIA "exam"
18. Aug 2009: Got a job instead in apt industry, needed money and meant to be temporary until CIA situation got resolved
19. Oct-Dec 2009: Successful human body optical camouflage test inside my apartment, made me physically sick
20. Jan 2010: Was told CIA interview was over and that I passed with flying colors; I declined 4 job offers on Operations Officer career path
21. Feb 2010: Wrote signed statement to Congress and several others
22. Mar 2010: Called FBI, no help
23. Mar 2010: Called DEA to turn everyone in in person from my past including my parents even though this was already reported to CIA; did this to eliminate any leverage on the part of the CIA to destabilize me through psychological operations to test my emotional and psychological ability to withstand stress on an operation
24. Mar 2010: Negotiation of financial restitution for my participation in the science and technology component of this project, don't trust CIA's acceptance of this negotiation because of past performance and the promised dollar amount
25. July 2010: Saw retina specialist in Beverly Hills, he confirmed I have been staring at the sun with no eye damage
26. Sep 2010: Contacted CIA IG, expected response
27. Oct 2010: Got promoted with employer from one community to two communities
28. Nov 2010: Building timeline of events
29. Mar 2011: Got promoted with employer from two communities to three communities; slept with Manuel Miranda's son
30. July 2011: Posted YouTube video; left employment at UDR due to new boss I couldn't stand; large final paycheck
31. Oct 2011: Left LA and came to Las Vegas, living with 20-year old friend, start interviewing
32. Nov 2011: Emailing Dianne Feinstein, head of SSCI (Senate Select Committee on Intelligence)
33. Dec 2011: Secret Service contacted me in response to an email I sent the White House when I was upset; emailed apology and explanation of CIA psyop
34. Jan 2012: Accepted job as Regional Manager of 6 properties in Las Vegas, passed all pre-employment screening, compensation with bonuses \$100K per year
35. Jan 2012: CIA psychological operations continue without my authorization
36. Jan 2012: Emailing full explanation of CIA technology innovation used on my recruitment
37. Jan 2012: Named Stephanie O'Sullivan, formerly running CIA's Directorate of Science and Technology
