All hissin of hills Deletes bound by this Commany. ceracy prefer Warmoth's rule to that of the opposing faction." Where he has been showned this, we are at a loss to know. So far as we have been able to solund the opinions of the Devecence, they had no grounder of preference between Warmoth and those who seek to overthrow bith and stand by prepared to take advantage of any tarn of the cartic which may enable, altitude a substitute of the present ruinpus Republican rule, under which the State has been so mercileesity plundered, by one of a more beneficent character—by an administration which shall better represent the republe of Louisians, and enable them to restore the State and its inhabitants to their once prisperous condition.

OUTY INTELLIGENCE.

Mr. R. H. Isabelle, U. S. Pension Apint at the city, without surprise and may be them to restore the State and its inhabitants to their once prisperous condition.

Mr. R. H. Isabelle, U. S. Pension Apint at the city, without surprise and the has received orders to inscribe on the pension list the city, writes an that he has received orders to inscribe on the pension list the city writes at that he has received orders to inscribe on the pension list the city writes at that he has received orders to inscribe on the pension list the city writes at that the has received orders to inscribe on the pension list the city writes at that he has received orders to inscribe on the pension list the city writes at that he has received orders to inscribe on the pension list the city writes at that he has received orders to inscribe on the pension list the city writes at that the has received orders to inscribe on the pension list the city writes at that the has received orders to inscribe on the pension list the city writes at that the has received orders to inscribe on the pension list the city writes at that the has received orders to inscribe on the pension of the The New Orleans Jackson and Great Northern Lan Daniel Property Mr. R. H. Isabelle, U. S. Perssion Agent at this city, writes us that he has received orders to inserthe on the pension list the name of James W. Biddle, late a Second Lieutenant in the 14th U. S. Infantry, a survivor of the war of 1813, at the rate of eight dollars per month, to commence from the 14th February, 1871, and Mr. Isabelle adds that Mr. Reddle is the second person that has been placed on the pension list at New Orleans, under the act of field.
