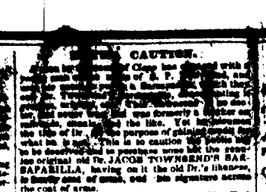
1849 Great Northern Route 1849
BETWEEN THE EAST AND THE WEST, *VIA*
THE MICHIGAN CENTRAL RAILROAD!



WILL commence operation on the opening of navigation, by which passengers will be taken between

Chicago and Buffalo,

in from 30 to 45 hours, and to New York in from 35 to 70 hours, shortening the line between Chicago and Buffalo to less than one third that of any other route.

A steamboat will leave Milwaukie every morning and Chicago every evening and arrive regularly for New Buffalo, the western terminus of the Rail Road; which with the Cars to Detroit and Steamboats to Buffalo, will form

Two Daily Lines

from Chicago to Buffalo, connecting directly with the Cars from Buffalo to Albany, and Steamboats to New York or Canada Boston.

Going West, a steamboat will leave Buffalo

EVERY MORNING AND EVENING,

connecting with the Cars of the Michigan Central Rail Road for Detroit, thence by Rail Road to New Buffalo, and by Steamboat from the morning train at New Buffalo to Buffalo and other places, and from both trains to Chicago, connecting with the line of large Packets on the Illinois and Michigan Canal to La Salle—from thence by the Illinois River to

FIRST CLASS RIVER STEAMBOATS

to St. Louis, and by the Lower River Steamers to towns on the Mississippi and New Orleans.

This Rail Road Train is the only one connecting from Chicago to Buffalo, for regularity, safety, speed, general equipment and accommodation, forms its every respect

SUPERIOR FIRST CLASS ROUTE,

and altogether the cheapest from the Mississippi Valley and the towns on Lake Michigan to the east. The following Steamboats will run in connection with the Michigan Central Rail Road:

Detroit, Pacific and Sam. Ward.

The Packet Sloops Sam. Ward running to Milwaukie and Little Fort, Southport and Racine.

Between Detroit and Buffalo, DAILY, leaving both places in the morning—through without landings—Steamers

May Flower and Atlantic.

Between Detroit and Buffalo six Clear Boats, DAILY, leaving both places in the evening—Steamers

Hendrick Hudson, Baltic, Empire

Oregon and Saratoga.

The Lake Steamers of the above line, for strength, speed, finish, and magnificent furniture, are believed to excel any like number of steamers that have ever been run in connection on fresh water, offering at the lowest fare accommodations not anywhere surpassed. Among them are many entirely new, and of the most expensive character.

Every effort will be made to render most desirable the superior accommodations of the

Michigan Central Railroad.

Through Tickets to all points in the Eastern States and Canada, can be had at the office of the Company in Detroit.

☞ Consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula, Piles, Costiveness, all Cutaneous Eruptions, Dropsy, Fever and all affections arising from impurity of the blood.

It possesses a marvellous efficacy in all complaints arising from indigestion, from inability of the stomach, from inactivity of the liver, from obstruction, torpidity, debility, or relaxation, determination of the blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flushes over the body. It has not its equal in Colds and Coughs; and promotes easy expectoration and gentle perspiration; relaxing stricture of the lungs, throat, and every tender part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages

Of Female Complaints.

It works wonders in cases of Fluor Albus or Whites, Falling of the Womb, Obstructed, Suppressed or Painful Menses, Irregularity of the menstrual periods, and the like; and is as effectual in curing all the forms of Kidney Diseases.

By removing obstructions and regulating the general system, it gives vital strength to the whole body, and thus cures all forms of

Nervous Diseases and Debility,

and that presents one of the most variety of other maladies, as Nasal Irritation, Neuralgia, St. Vitus's Dance, Swooning, Epileptic Fits, Convulsions, &c.

It cleanses the blood, tones the nerves, quickens action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, stays inflammation, gives firmness to the muscles, regulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration, relaxes all stricture, removes nervous and painful obstructions, and invigorates the entire nervous system. In not this, then, the

Medicine to be Unexceptionally Need?

But can any of these things be said of S. P. Townsend's inferior article? This young man's blood is said to be

COMPARED WITH THE OLD DR'S

Because of one GRAND FACT, that the one is INCAPABLE OF IMPURITY OR TAINTS, and the other

NEVER SPOILS.

While the other DOES: flouring, Fermenting, and blowing the bottles containing it into fragments; the other, as a liquid, remains the same unchanged good. Must not this horrible compound be poison to the system? What! put acid into a system already diseased? Why, it is like throwing oil upon an hot coal! Do we not all know that when food sours in our stomachs what mischief it produces? Indigestion, heartburn and other forms of bowel complaint, diarrhœa, dysentery, cholic and corruption of the blood? What is Scrofula but an acid humor in the blood? Is it not Lactic Acid? Is it not Muriatic which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, Ulcers in the throat, nose and mouth? Is it nothing under heaven, but an acid substance, which sours, and thus spoils, all the fluids of the body, from the Saliva to the Urine? Is it nothing but a sour or acid fluid, which insinuates itself between the joints and elsewhere, irritating and inflaming the parts, producing Rheumatism? Is it a train of nervous diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments which afflict humanity?

Now, is it not horrible to make and sell, and infinitely worse to use this

Searching Acid "Compound" of S. P. Townsend.

and yet he would fain have it understood that Old Dr. Jacob Townsend's Sarsaparilla is like unto it, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article; and which should bring down upon the Old Dr.'s head the mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's PERNICIOUS COMPOUND.

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are as unlike as light and infinitely dissimular; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was in no chemist, no pharmaceutist—knows no more of medicine or disease than a child, and therefore, unscientific, unprofessional man, what guarantee can the public have that they are receiving a genuine scientific medicine, compounded by one of the best Apothecaries used in preparing it, and which are incapable of changes which ought readily to render them

Unpalatable, Sometimes Deadly.

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kind e hope in the despairing bosom, to restore health and bloom to the virgin into the crushed and broken, and to banish infirmity, that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated

Remedy

within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its

Transcendent Power to Heal.
