THE CAHAWBA-MAYAVA.

THE CAHAWRA-MAYAWA.

The steamship Cahawba, Ceptain J. D.
Bulloch, arrived at the Quarastine Station
on Monday, at 10 o'clook; A. M., shving left
the offing of Havana at 7 o'clook, P. M., of
the 18th. The Chhawba did not enter the
port of Havana, but suchanged the mails by
means of a beat from the harbor, and brings
no passengers and freight from Havana.
Lying off and on the port of Havana.
Lying off and the thirt has been
character. Commander Havtston, and Pgiton, Lieut Com. Almy. The frigate was just
up from Jamaica, and the others had been
orulaing along the north coast of Cuba, to
the east and west of Havana.
The fig.aiph and Arstic were to go immediately over to Kay West for coal, while the
Folton was to continue her cruise on the
coast of Cuba.
On the morning of the 18th instant, forty
miles N. E. of Havana, passed close to, and
diet is substituted to the coast to the face of the
coast to Cuba.
On the morning of the 18th instant, forty
miles N. E. of Havana, passed close to, and
diet is substituted to the coast to the coast of the diet of the coast of the c

coast of Cuba.

On the morning of the 18th instant, forty miles N. E. of Havana, passed close to, and exchanged signals with, H. B. M. paddiewheel steam sloop Styx.

On the 18th instant, the bark Pira arrived at Havana, with 202 Cooles, under contract for labor in Cuba for the part of the contract for labor in Cuba for the contract.

at Havana, with 302 Cooles, under contract for labor in Cuba for sight years. Stock of sugar on hand, 306,600 boxes; prices as per tast advices. Freights not im-proving, and very little offering for large vessels for Europe or the States. Exchanges for New Orleans, 3 per cent. pressium; New York and Northern cities, § and 1 per cent. pressium; London, 112 and 12 per cent. pressium. remium.

The steamship Cahawba, which had been detained at Quarantine, was released by order of the Board of Health yesterday, and arrived at her wharf last night.

Later from Brownsville. By the arrival of the schooner Sen Drift, Capt. Smith, from Brace Santiago, we have received a copy of the Brownsville American Flag, from which we extract the following:

The Rift, the official paper of the government of Tamanipaa, publishes a decree granting the exclusive privilege for ten years to Mr. Haramboure, of Maiamoros, to run a line of stages between Matamoros and Montersy. Gov. Gazza grants this privilege for Tamanilpaa, and no doubt is entertained but that Gov. Vidaurri will conclude equal privileges for Muswe Leon y Coshaila. The line to be established in two months from the date of the decree, and all property pertaining to the enterprise to be free from the action for the term of the privilege, and all public correspondence to be transported free of charge.

correspondence to be transported free of charge. The citizens of Matamoros had a funeral procession on the 9th inst., in bount to the memory of Cols. Marroquin and Quintero, who fell at the recent encounter at Tampico-The San Antonio Trees mentions the dis

By the arrival of the steamer Galvesion we have received frame papers to the 19th in the transparence of the very constant much intelligence. The Nove of the 19th says:

We regret to bears that Mr. John O'Connell was killed less light in a remounter in which he and several others a force-med, led ded in about filter meaning the same in the first state of the same in the same state of the same in the The election for Grand Officers of the Grand Lodge of Texas, A. F. A. M., and resulted as follows:

will not each ager the friendly relations belween the two countries.

Where of the Star.

The London Sier thinks the danger is immicest, unless the British government recedfrom its untecable position.

Became of the Telegraph State.

The Atlantic telegraph Sect. The Atlantic telegraph Sect returned to
lymouth from their experimental trip on
the id lest. The experiment of paying out
the cable in water nearly three miles deep
and much deeper than it is anywhere between Ireland and Sawfoundiand was entirely
successful, and the new misakinery is prenounced pariest. The operation of splicing
was performed four times, at the raise of seven to eight knots per hour.

The expection shally starts from Plymouth
on the til or 16th of June.

Government had chartered twenty additional alighe to convey trough to limits, and it
was all that twenty-five thousand men, intended that twenty-five thousand men, intended the start of the control delay.

Meaner, Bauwon, Son & On, of London and

NEW ORLEANS, WEDNESDAY MORNING, JUNE 23, 1858.

and if we only plus repeated pressure that of the annual state of the attentioning probably saints the downward attentioning probably saints the downward provinced.

The Times has a leader in favor of patting a saint in the satisface trade cruesdo, on the ground that it will insertably seem bring on a serious collision between lingland and the United States. Upded States.

FRANCE.—The Toulon equadron had sailed with sailed orders.

The London Myrati's Paris correspondent relations as a Cablest diaber, the Supercrease are considered to the Statest of the St

By Telegraph.

THE NEWS BY THE ARAGO AND EUROPA.
By the steamshipe Arago, at New York,
and Europe, at Haiffar, we have advices
from Europe to the 5th instant.

Bretten Furthement.

Relations with the United States—The Arrest
of Captain Judkins at New York—The
Boarding of American Vessels, etc.
Mr. Horsteid asked whether the government had any information of the arrest of
Captain Judkins, of the Persia, at New York.
Mr. Wilson also asked whether there were
any objections to lay upon the table the correspondence between the British government
and that of the United States respecting the
alaye trade.

cate whether any complaint can be made by the government in relation to this alleged breash of contract.

Mr. Mason, of Va. called up his resolutions relative to the British aggressions, which co-centioned a longithy and interesting discus-sion, in which Masers. Mason, Benjamin, (Clugman, Dooittie, Matory, and other pat-ticipated.

Mr. Dougles, during the debata, took occa-sion to refer to the Admiristration Conven-tion which med lately in Springfield, Bl., and not recognize it as a Democratic Conven-lion.

during the order of examination. On the other hand, we regretted to find but a man delegation of "heads of families" in altaset zero. Hr. Canongs, however, and one or two other gestlemen nested the bancher of the school in condusting the sammination ware liverest, upon the latter of whom it coats once bitter reflections.

The London Feet thinks if injury has been sustained, Reginate countries. The London Feet thinks if injury has been sustained, Reginate countries to expense the reparation demanded by Cancer refuse the reparation demanded by Cancer refuse the regards for bearsance in the matter complained of a will not endanger the friendly relations between the two countries.

Where we the Star.

The London Ster thinks the danger is immonit, naises the British government reacher from its untenable position.

Return of the wedgraph Stars.

The Atlantic telegraph fleet returned to Plumouth from their apperimental trip on the cable in the experiment of paying out the cable in the stars. The atlantic telegraph fleet returned to Plumouth from their apperimental trip on the cable in the restriction and the reference of the wedgraph fleet returned to Plumouth from their apperimental trip on the cable in the wedgraph fleet returned to Plumouth from their supportment of paying out has only a special control of the wedge on necessary to their usefulness and welfare tween treland and Haw foundations of miles deep and much deeper than it is an entire the weather of the welfare the returned to prevent the cable of the stars and the new standinery is prevented for times, at the rate of seven to eight knote per hours.
