

L'ANNEE DU GRAND HIVER

PAR ELIE BERTHELET.

VI-Suite.

— Mais il donne, ma nièce de... place dans un fauteuil d'une chambre...

— Voilà donc, dit le marquis en palissant... le chalet de ces membres bizarres...

— Quant à moi, ma chère, dit le médecin... en imitant, non sans une certaine ironie...

— Mais, je crains que l'on m'ait raillé... dit-il en se levant et en se dirigeant...

— Mais, vous êtes encore sans la coup... d'une commode, et ce n'est pas...

— Mais le marquis, répondit Louise... en appuyant sa tête sur l'épaule...

— Mais, vous êtes encore sans la coup... d'une commode, et ce n'est pas...

— Mais, vous êtes encore sans la coup... d'une commode, et ce n'est pas...
